magical memories

Though the heavens had opened up and sent heavy rain to Pasadena on November 12, spirits could not be dampened and lots of people turned up at our 1983 Homecoming game. Umbrellas at the ready the crowd watched the Vikings forge ahead through mud and water to defeat the South Pasadena Tigers in an 18-6 win.

The parade of cars containing the Homecoming court, was absent due to the drenched condition of the field. The court was then presented in a modest fashion in front of the crowd with plastic bags around their pretty shoes.

The theme "Magical Memories" was presented in the colors of pink, grey, white and and burgundy. The colors were used in varying combinations for the dresses and tuxedos of the court making the grey day look a little brighter.

ASB is ...

This year the Fall/Winter Associated Student Body made a concerted effort to raise spirit at Blair and erase apathy. They made a fast start with a most impressive Homecoming. This activity included the assembly that proved well-organized and rehearsed. For the dance, the gym was outrageously decorated with purple, pink, and white, attracting a huge crowd.

Efforts were also made to determine the fate of Blair, with meetings with the Superintendent, R. Cortines. During these sessions, the ASB asked for and received the assistance of another school clerk in the Main Office. This compensated for the work overload due to cutbacks.

Other spirited events included caroling at Christmas, faculty parties, and student interaction with the community.

With these and other efforts made, the Blair ASB increased spirit and an excellent groundwork for continuing in the next semester.

IMPROVE-MENT

Working the second semester since the A.S.B. cabinet was decreased in enrollment, the members have commented on the increased effectiveness and organization of the class. Jeanne Pursel, the Associated Student Body President, stated "The resulting effects of the reduction in the A.S.B. have been monumental; with organization and participation increased and improved. "We are BITCHIN!"

As the year comes to a close, the "new" A.S.B. has provided spirit and enthusiasm throughout the 83-84 year. This cabinet has made its presence felt and hope for student involvement in the years to come.

PTSA

It is the objective of the Blair P.T.S.A. to be a support group of the school. The attempt to support the activities of the student body with funds, personnal and ideas. The parents, teachers and staff involved attend meetings to keep themselves abreast of the activities of the school, look into problems and form effective solutions. Annually they help get the school year off to a good start by hosting a luncheon for all faculty and staff the day before school begins. They have supplied food of all varieties free to the students attending the Homecoming Dance, and supplied chaperones for dances. P.T.S.A. puts together the school newsletter to keep the school population informed of sporting events, general information and concerns confronting us (such as school closure). They contact the Superintendant and School Board Members to lobby on behalf of issues concerning Blair, and send out tokens of appreciation to staff members on several occasions. They serve refreshments at Open House and Back to School Night working at fostering good public relations for the school within the community and with Private schools. Other helpful efforts have funded emergency welfare for situations that arise. Funding the generation and half of the police costs for the picnic as well as sponsoring booths, they will also be sponsoring the second annual Easter Egg Hunt and Second Annual Tennis Tournament. Last years big fund raiser bought computer equipment and established a repair fund to expedite expenses. The Leadership Conference was sponsored last year and will be supported this year. The support and enthusiasm by the P.T.S.A. is over whelmingly appreciated by Blair High. We, the administration and the student body would like to thank you, P.T.S.A., tremendously.

SIC

The School Improvement Committee at Blair provides an opportunity for parents, staff and students to come together to discuss ways Blair can be improved. The time is spent constructively; solutions are suggested instead of blame being cast.

The specific goals this year included improving the morale and communications within Blair, the beautification of Blair, and being available to deal with any crisis. Having a sound board of a broad selection of people helps solve any problem. Improvements such as better use of the marquee, a tutoring program for students who need it, a copier, and fresh paint for the amphitheater were objectives the group worked towards.

The committee has kept a sharp eye on developments "downtown" ... in other words, at the Education Center. Members have attended school board meetings and reported back as the possible consolidation of secondary schools has been under discussion.

Bob Miele has been chairman of the committee since it began several years ago. This year, parent Charlotte Tyler has acted as his main assistant. The School Improvement Committee is open to anyone at Blair who has on idea for school improvement.

Will The Real Donkey Stand Up?

Hey there, Hi there, Ho there! This year, the Blair Yearbook roving reporter decided to turn the tables and interview one of the star donkeys in the annual Donkey Basketball game — Ginger. Here is a small portion of the interview: Reporter: In your own words, describe the game for us. Ginger: Okay, shortly after we arrived at the school, the team members showed up. The only difference that I could see between us and the players was that they were sitting on top of us. We soon got to know our partners rear . . . oops, I mean real well. We lined up, and then that buzzer rang. We heard the team braying, I mean praying that they would win. The first half went rather slow. One for Blair, One for Muir, and so on and so on. Then all of the sudden, things changed. It became one for Blair, two for Muir. I think that when that started to happen, Ben got a bit excited . . . all of the sudden, the clean-up crew tore out on the court to clean up the mess he made. Oh, I was so embarrassed for him. The second half picked up a bit, just a bit. More baskets were scored, more shouting came from the crowd, and there were more appearances from the clean-up crew. Finally, after twelve minutes were up, Muir had won, 60-58. What a great accomplishment for their school! All in all, it was a great game, but boy, we were pooped!

KALEIDOSCOPE

The event of "Spring Show" is inevitably anticipated by the student body and participants every year. Countless hours of practice and effort are put into this spectacular presentation. The repertoire contains everything from Broadway show songs performed in casual dress, to contemporary songs in formal attire. Mr. Coday is the major inspiration behind Kaleidoscope. He is the director and producer, a difficult job which he executes patiently. In the end, this patience and dedication, in conjunction with the cooperation and hard work of the cast — Kaleidoscope turns out to be the show to see.

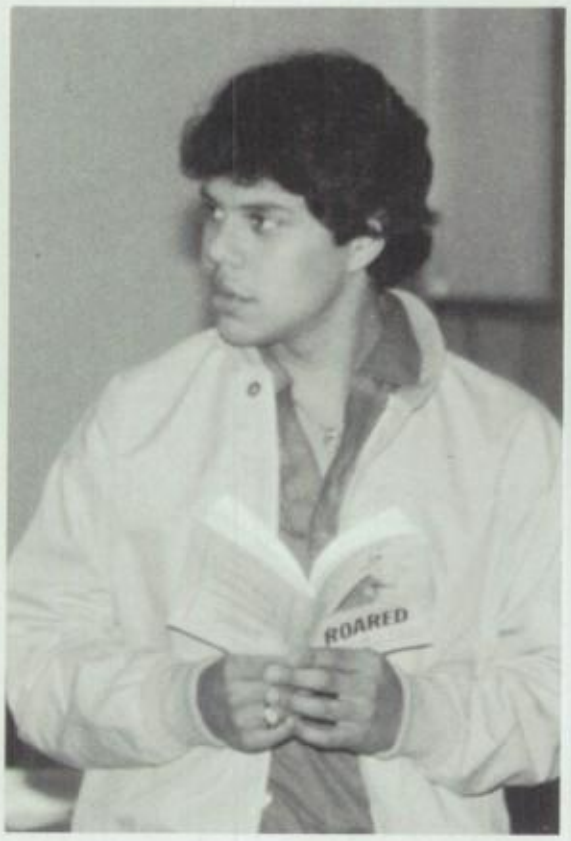
DRAMA

This years drama class was composed of mostly first timers. Yet, they all had the need and ability to place themselves in the shoes of others. Inspired by the success of last years performances, they were determined to do well.



As the director, Mr. Coday concentrated on the development of acting skills and the importance of creativity. To overcome their weaknesses and reach their expected goals, these drama members depended on their sense of humor, responsibility, self discipline, and the guidance of Mr. Coday.

The curiosity and enthusiasm in dramatic arts resulted in another fine cast of participants, and another fantastic performance.

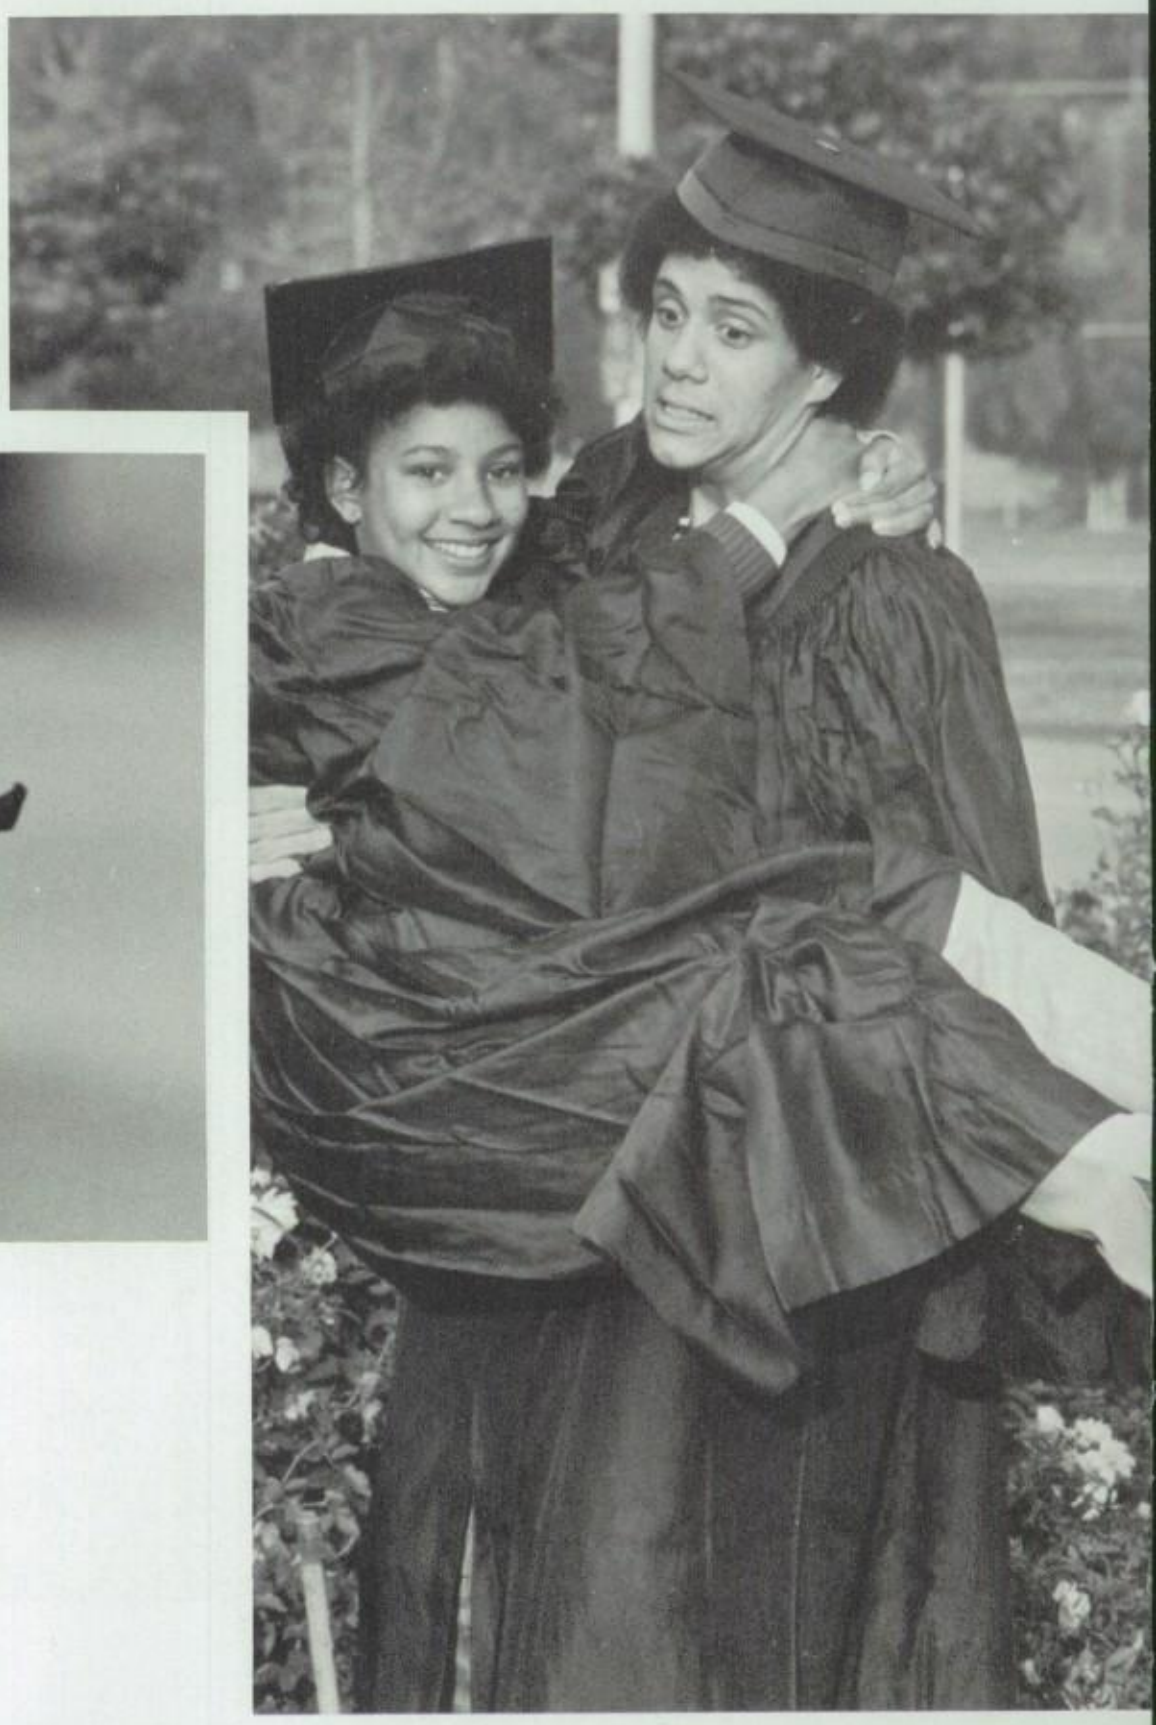
GRADUATION- OUR

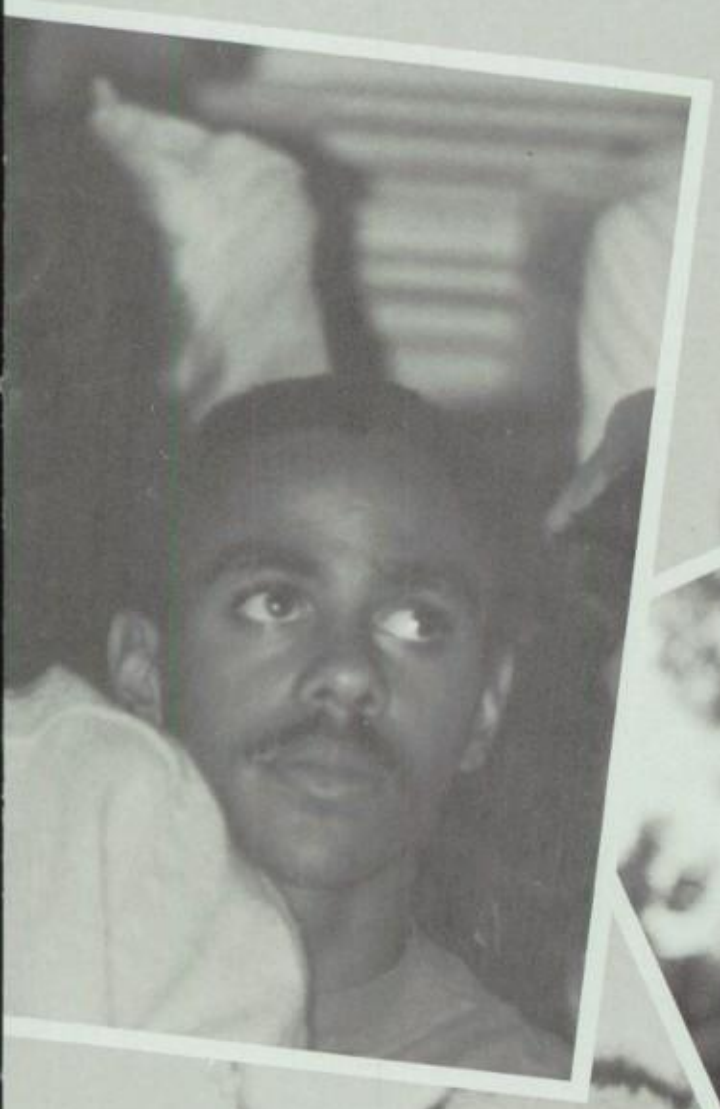
The moment we have waited for — GRADUATION! Seniors have been looking forward to graduation since September 16. Our four years have been filled with fond memories to look back on. High school has given us the friends and memories that will be cherished for a lifetime.

United together through class activities, sports, and friendships we have learned and matured because of each other. Now that the final day is approaching, we realize how much we are going to miss Blair, our friend, and the fun we have enjoyed.

We will now be introduced to new experiences. A door is opened towards the future. Of course the memories of Blair will remain with us — the happiness, the sorrow, the laughter, and the tears. We will leave here and everything will turn into memories which will reflect upon the rest of our lives.



last goodbye



Making a lot of Racket

Mr. Charles Lamb was the advisor for yet another active sports club. Tennis.

The main purpose of the club was to finance the boys and girls tennis teams. In order to raise money for team uniforms they arranged a mug sale in the fall. This proved to be very popular for parents and students alike because of the attractive design of the Blair Viking on the mugs. It was a good idea for Christmas presents too.

Other activities of this lively bunch included a ten-a-thon. Students were sponsored by various people according to the number of games played. This brought in quite a bit of money.

The election of officers was a big event because the strong cabinet is what kept the club on its feet. The club was headed by Presidents Philip Kramer and Henry Willis, Vice-President Chi Vo, Secretary Alex Palmer, Treasurer Elke Kostelac.

1983 turned out to be a fun year for all and the tennis teams appreciated the club's help.

Red Cross
Donation of Time and Care

Blair underwent a beautification process this year thanks to the unending energy of the members of the Red Cross club. Benches and bathrooms were painted and the campus was cleaned up.

Many members of the club are also members of the Pasadena Red Cross Association and greatly contributed to the club with many ideas for fundraisers and activities.

One of the main activities sponsored by the club was the annual blood drive which proved to be quite successful despite the number of people who aren't particularly fond of needles.

The Red Cross Club did much volunteer work around the campus and in the community. Their hard work will always be appreciated.

Going Places, Seeing New Faces . . .

This year Blair played host to four AFS students: Kevin Armaratunga from Sri Lanka, Sanja Basic from Yugoslavia, Shaunagh Mullett from England and Katrien Vermeulen from Belgium. Each one shared tales of their country, ways of life and feelings regarding American living.

The purpose of the club was to create interest and excitement in Blair students concerning the opportunities to make application themselves. No matter where the destination, the experience would inevitably be remembered and could possibly change their way of thinking, as well as life.

Mrs. Gladys Roshko was a lively and active advisor. Many activities were arranged throughout the year. A Christmas party involving international foods and traditions made the students a little less homesick during the holiday season. Following this came a week of hard, but enjoyable, work on the Rose Parade floats. A picnic in the spring and a summer beach party brought an exciting end to the visiting students' fun-filled year in America.

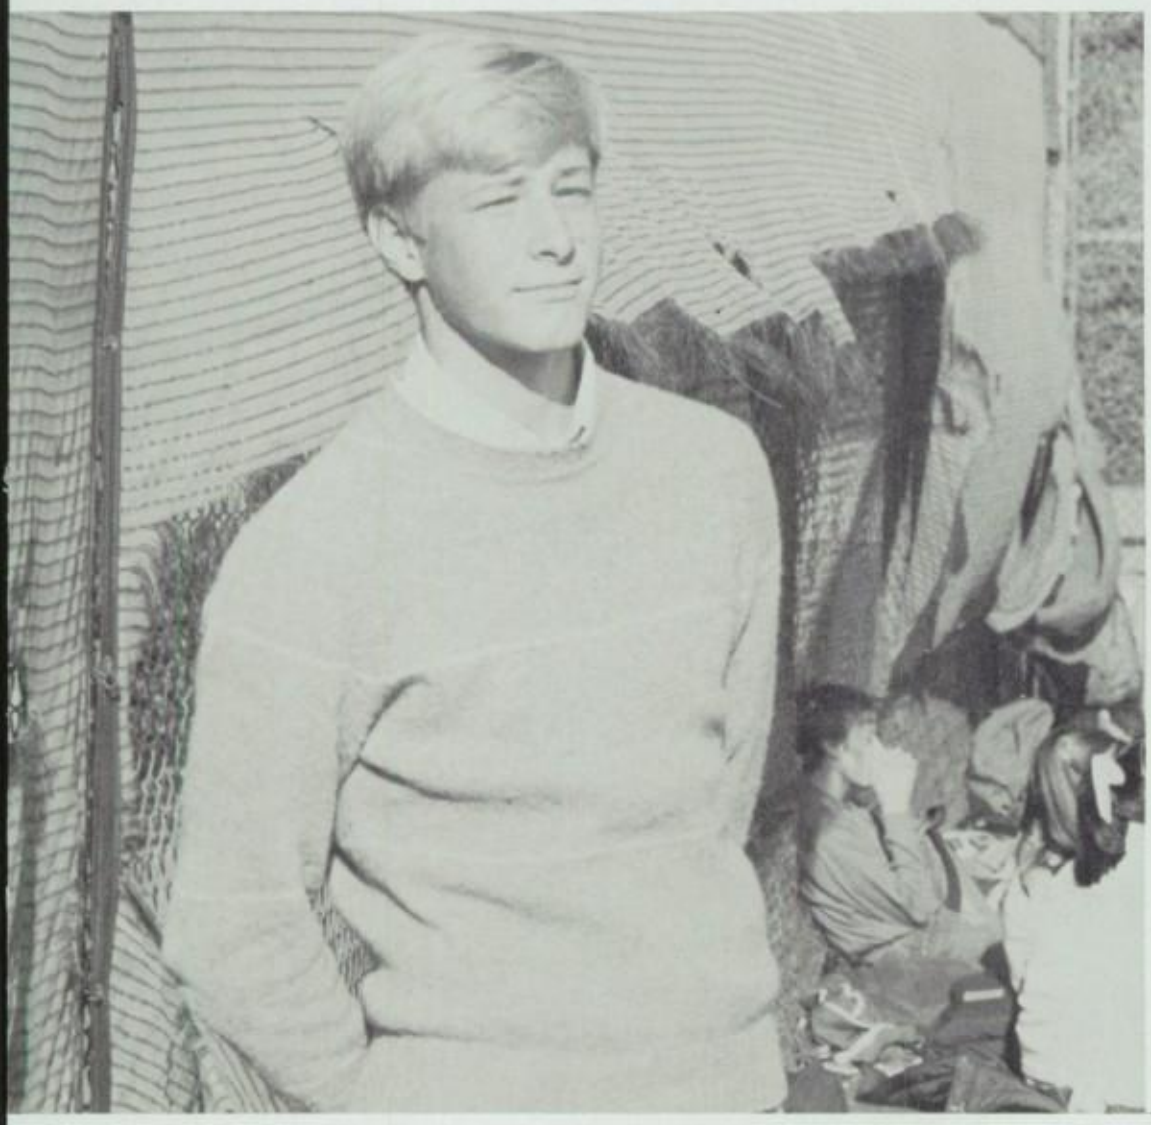
Le Club ist Chic

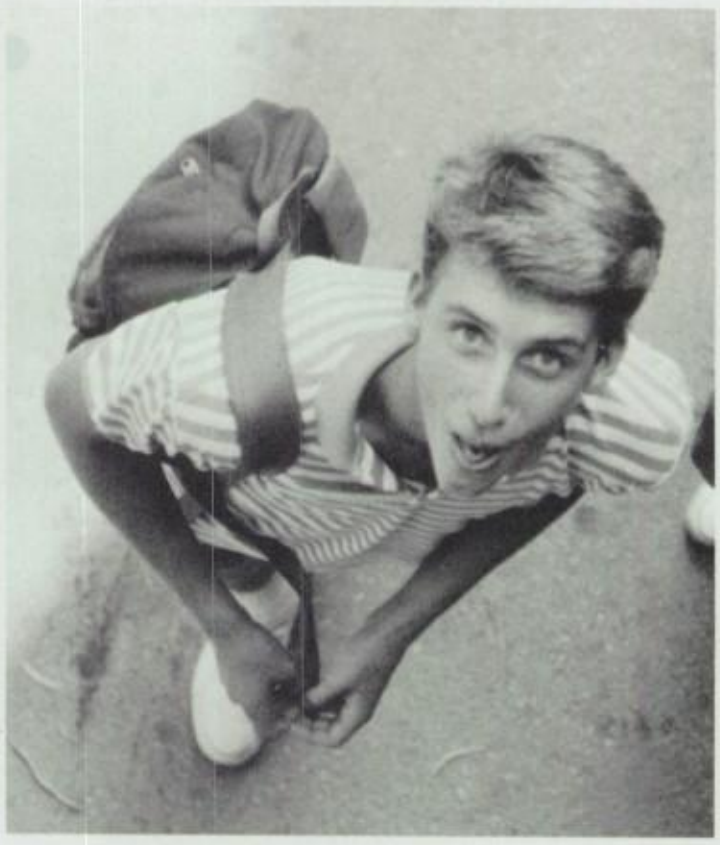
Imagine this: It is early morning and for breakfast you are having a croissant and cafe au lait. You later see a French movie and dine at a French restaurant. Where are you? In France? No, you are a member of Blair's French Club.

Headed by Mr. Olaf Liden, the club provided its members with a French atmosphere and gave them a taste of what France is actually like without having to visit the country.

The club dined at French restaurants, saw hundreds of slides from Europe, enjoyed numerous French movies and even had an occasional French breakfast in class.

Learning about French culture, cuisine, and history made learning the language all the more fun. Vive le French Club!!





Above: Charlie Blinkenberg does an impression of a seductive Frenchman. *Right:* Rick Nowak recalls the experience of a French breakfast.

Always there with a helping hand

The Z-Club sailed through the year with success. Among the many activities were, chocolate sucker sales, pinning up posters for the California Institute of Technology, parties for the handicapped children at Roosevelt School and a career day for young women. These services were geared to provide for the community. This year the Z-Club sponsored a campaign to help beautify the Blair campus. With the help of A.S.B. and the Red Cross Club the amphitheater benches were sanded and painted. President Katya Armistead feels the success of the club is due to the effort and dedication of its members.

C.S.F. Setting High Standards

California Scholarship Federation kept up the tradition of being one of the most productive clubs on campus this year. Their ability to organize and complete projects is equal to the successes and accomplishments they have achieved individually.

The major goal of the club is to raise money for senior scholarships. The fundraisers included a chocolate sale and a Thanksgiving gram sale. Another responsibility the club has had every year is hosting a Christmas tea for the faculty.

Mrs. Taylor, the advisor for many years, encourages students to join if they meet the requirements and are willing to participate in the many activities.

Did Someone Say They Just Shot A Birdie?!

This new club teed off under the direction of Mr. Charles Lamb. The students who joined were taught step-by-step, from the tee to the green, the not-so-simple game of golf.

The most thrilling and rewarding activities for the club were golf tournaments at various courses in the area, including the Eaton Canyon Golf Course. These were very successful, and through the experience of playing at different places and in competition with others, they gained confidence and excitement from an otherwise dull game.

Through the success of this year, the club is destined to go many more rounds at Blair.

L.A.S.A.

Pride Of The Latinos

Though the Latino American Student Association began over ten years ago, it is still a very influential and active part of the school. The club's main purpose is to help members unite and share cultural heritage. L.A.S.A. organized several activities this year that were held with great success. These events included the L.A.S.A. Homecoming Dance, a very wet carwash and a delicious candied apple sale. These activities allowed the club to raise enough money for their Graduation Ball. Once again, Mr. Ibarra, the advisor, with the help of every member of the club made this year's long efforts result in the unification of the Latin Americans at Blair.

M.E.C.H.A.

Culture Learned and Experienced

Out of the many organizations at Blair High, M.E.C.H.A. is one of the oldest and most dedicated to cultural learning. Moviento Estudiantil Chicano de Aztlan's main goal is to organize and unite the Hispanic community.

Throughout the years the club has encouraged its members to become involved in their school and community.

M.E.C.H.A. members sponsored a profitable fundraising campaign. The campaign was launched with a dance, car wash, and candy sales. In honor of Cinco de Mayo members helped A.S.B. organize an assembly to commemorate this holiday.

Advisor Mr. Aaron Sotello has motivated members to become interested in their hispanic culture and to share their knowledge with the student body.

The Performing Arts Hit a High Note

Drama Chorus

Pick any day during lunchtime to visit the Drama and Chorus room on campus and you will find the room filled with sweet Harmonious voices of Blair's prestigious chorus, directed by Mr. James Coday. The group performed at various hotels, clubs and churches with their major shows being the annual Christmas concert in the winter, and Kaleidoscope in the spring.

Enrollment in the Drama classes was low, and ineligibility lists further depleted class size. Due to this situation, the year was used mainly as a learning and growing period. Though many plays were rehearsed, few were performed.

Lastly but not least, the performance of the year, the event that practically the entire city looks forward to, what the members of chorus and drama build up to every year, KALEIDESCOPE!!!!! This annual event allows the students to display their talents in both singing and acting.

Making Themselves at Home

East-West

Asian students new to Blair as well as America, felt at home at Blair with the help of the East-West club. The aim of the club was to help Orientals who just came from another country get used to their new surroundings.

Fortune cookie and Almond cookie sales early in the year brought much attention to the club. During Thanksgiving weekend the club went on an overnight camping trip, organized by club presidents, Lulu Fou and Eleazar Vita. The trip was enjoyed immensely by all members. Later in the year, they went to the beach, bowling, and even had lunch in Chinatown.

All members enjoyed each others company, activities, and time spent together.

All the Right Moves

This year's Gaming Club was undoubtedly the most productive it has ever been. Under the direction of Mr. Charles Lamb this elite group of students met everyday during their lunch hour to match their wits.

Among the games played at the meetings were Traveller, Star Frontiers, Time Quest, Whopper Wars, and Squad Leader; that's only naming a few. The games they played included nearly every game in existence.

According to one of the club members, one of the aims of the club was, "To find the mystery of the universe" (why Blair's cafeteria food is so noxious).

Cartooning

What Characters!

Throughout the year Mr. Jerry Garden led his small but successful band of cartoonists in a quest for recognition.

The purpose of the club was to further the students' interests and develop their skills in cartooning. They achieved both goals by successfully producing amusing and professional looking cartoons for the school newspaper, the North Star. In fact, some work was considered good enough by Mr. Garden to be submitted to Pasadena's local newspaper, the Star News.

Each member had their own unique approach to cartooning and everyone obtained some degree of personal gain by being a part of this club.

Spanish Food-A Cultural Experience

Through the Spanish club, headed by Dr. Battaglia, Hispanic culture was learned and enjoyed by all students. The club discovered the best aspects of Spanish and Mexican-American life through cultural, historic and gourmet events.

Food, being one of the most important and inviting parts of learning the culture, was enjoyed at many of the Mexican restaurants in Pasadena. A fun time was had by all when the group went to Olvera Street to enjoy the exciting atmosphere of an authentic Mexican street scene.

Each member enjoyed one another and the activities that were arranged. The Spanish club at Blair was once again a great success!

New Club Gains Support.

A new group on campus, the Latin Agers, captured the attention of the student body. The main purpose of the club was to raise money for scholarships for eligible Latino students.

The club had many activities, including trips to Disneyland, Magic Mountain, Olvera Street, and Catalina Island. Fundraisers included a candy sale, a candy apple sale, and a car wash. These activities were successful in raising the money needed to fund scholarships.

The club looks forward to continuing for many years and hopes that its efforts will result in enriching education for the Latino students.

Everyone met during lunchtime everyday to learn sign language and to watch closed captioned films which they all enjoyed.

Film Fan Club

Budding Movie Buffs

The Film Fan Club met occasionally with Ms. Downhower and Mrs. Russell to mentally and socially enjoy quality films together.

Among the films they saw were "Starstruck," "Rear Window," and "Fannie and Alexander." Other activities included a pleasant visit to the Barnstall Art Museum.

The club chose some unique and beautiful designs for buttons which they sold in October. This project proved to be a very prosperous one.

Their major activity for the year was to sponsor the "Great American Smoke-Out. They showed a film about smoking and passed around pamphlets.

An idea, which was very popular with the student body, was to rent videos and view them after school. It was activities like this that made the Film Fan Club one of the most enjoyable.

Swiftness on the Snowy Slopes

During the Spring break of 1984, students of Blair took to the slopes of the picturesque mountain area of Creste Butte in Colorado. In preparation for this exciting annual trip, the large and eager group of eighty students had helpful demonstrations on the use and care of equipment and ski safety. Ski films were an enjoyable part of the program. In November, the club went to see Warren Miller's feature length film, "Ski Time" at the Shrine Auditorium, for the benefit of the Handicapped Skiers Foundation of California.

The ski trip itself was very successful. Everyone went skiing during the day, returning in the afternoon or early evening to their comfortable and semi luxurious suites. Six to eight people accommodated a suite and shared a common cooking facility.

The trip was aimed at providing an opportunity for students to enjoy the company of other students through the sport of skiing.

The trip was not only exciting and exhilarating, but it was also a great way of keeping fit, a much needed benefit during a week which centered around eating as much as skiing.

North Star
Pressing for details

Under the direction of Ms. Virginia Berretini, the newspaper staff provided Blair with one of its most informative sources of student life on the Blair Campus, the North Star.

The newspaper provided Blair students with up-to-date school issues, student life, sports, editorials, movie reviews, contests, puzzles and even a personal advice column.

In addition to writing responsibilities, fundraisers, such as candy and cookie sales, proved to be a necessity in supporting the newspaper.

Some returning writers took supplementary courses to enhance their journalism, and indeed the results were favorable.

In addition to the regular issues, a literary magazine was compiled under the direction of Ms. Berretini and co-editor Lena Masri. The journal included articles and stories written by various contributing student writers.

The North Star staff wrote off yet another successful year.

Balloons, Success and Understanding

The members of the Black Students Union this year were some of the most active Blair has seen. Mrs. Phyllis Brookins helped organize many fundraisers during the year. In sunny October they held a very successful Halloween Balloon Gram sale. On Halloween day the black and orange balloons were to be seen brightly bobbing around Blair in the hands of many students.

Thanksgiving was also a successful time for raising money. A Can Food Drive was held which proved to be very popular with everyone as it involved food!

The mail service, put on for Valentine's Day, played cupid for many couples and touched the hearts of all sentimentalists.

Probably one of the most important and exciting days for the B.S.U. was the annual celebration of Martin Luther King Day.

Through these enjoyable activities in which not only the B.S.U. was involved but the whole school, the promotion of black awareness was accomplished.

Council Creates Club Spirit

This year's Inter Club Council continued to be successful with the help of presidents Anthony Cole and Kelly Jackson. The objective of the club was to provide better communication between A.S.B. and the club members. Attendance was low at several meetings but the productivity was not limited. The club is still new to Blair and many changes and improvements are being made.

B.A.S.I.C. Learning

A new and exciting club joined the diverse family of clubs at Blair this year — the Computer Club.

The club was headed by Mr. Sam McDonald. Members were taught the basic mechanics needed to operate a computer. Beginning computer users learned introductory computer graphics using furnished software such as BASIC. Others went on to more advanced computer languages such as FORTRAN, COBOL, and PASCAL.

Members experienced marvelous and entertaining graphics by creating three-dimensional graphics of intricate geometrical form.

All met daily after school to play various games and work on their personal programs and most of all, to have fun on the tool of the future.

Volleyball Gains Strength

The Varsity team, coached by Ms. Pat McCummins, showed strong effort and determination in completing a respectable season. With the record of four wins and six losses they took fourth place in their league. The team consisted of four players returning from last years Varsity team, four from last years Junior Varsity team, and three brand new players. Outstanding team members included Isaura Perez, Kim Johnson, Michelle Calloway, and the youngest, Joanie Virzi, who was only a sophomore. Ms. McCummins feels that this years experience will help contribute to the strength of next years team.

Coach Herb Cohen took pride in his Junior Varsity Volleyball team's winning season. With their great skill and spirit, they won the intercity championships for the third consecutive year. Their season overall, had eleven wins and four losses. Starting players, Irene Hernandez, Esmerelda Bugarin, Ada Romero, Kim Rodriguez, Beatrix Galavan, and Leticia Ornelas, contributed a great deal to the team's success. The continuation of these players promises both a strong J.V. and Varsity team in the years to come.

Tennis Swings with Style

A disappointing season did not ruin this year's tennis team's spirit. Varsity coach, Gail Deforest, worked hard keeping the team together and their stride up. The biggest problem was the scarcity of players available on the team. This did not keep the strong players from shining. Cecilia Younger and Katie Carlson worked hard on their double strategies, which allowed them to win several sets. Laurie O'Neill played number one singles and will be a leader of the team next year along with Julie Castro and Emily Wong who have improved tremendously.

Junior Varsity, coached by Chuck Lamb, lost many experienced players this year and gained several new players. Seniors, Dianna Lau and Nanci Cook, with their dedication, showed the team what it takes to win. Even though the season was not as good as expected, the players had a terrific time playing and their sportsmanship and togetherness was sure to have been envied by their opponents.

Dribble It Pass It Make That Basket

Headed by Brian Biery, this year's varsity basketball team performed with dedication and pride against powerful league opponents. Though lacking in size and appearance, the team continued to do their best until the end of the season. Each game lost was by a small margin. Some outstanding players included Misty Tolbert and Susan Sanderson, who are both all league, Wynette Graham and Nadirah Scott. Brian Biery feels the girls did their best and he doesn't have a single complaint.

The junior varsity team, consisting of entirely new players, was forced to work harder and give each other a lot of support. The team produced generally good players which coach Julie Yamane thinks will be future varsity players.

RUNNERS ON THEIR MARKS!

This year track team flourished with talented players. Many new players that joined the team were overwhelmed by the rigorous and stressful workouts. Their hard work and dedication at practices lead them to a successful season.

Because of the large quantity of girls, illness and injuries did not harm the team as in prior years. The 440 Relay team, usually the strongest event, consisted of Jacquelin Williams, Tracey Taylor, Kindra Henderson and Anna Amaral. Tracy Taylor and Anna Amaral made spectacular wins in the hurdles and sprints. Seniors Karen Baldeschwieler and Katya Armistead showed their endurance in the distance events giving the team an extra edge.

The experience and ability of the runners gave the team an exceptionally good record, making coach Gail Deforest proud.

Girls Softball is a Big Hit!

This years young and energetic team kept up the softball spirit by training hard and playing well in their games.

Coach Jane Wyckoff was pleased with her team because they executed Sportsmanship and teamwork. Her skillful coaching and encouragement became a winning combination.

Outstanding players included: Michelle Calloway, team captain, and Laurie Brown, an excellent base runner. Martha Conner, the pitcher, was also much improved from last year.

Among the many games that were played, San Marino was noted to be one of the toughest. Despite rough competition all through the season Blair always did well.

The young team improved but they hope to continue to excell as time goes on. Future success in the league is a definate goal.

A "Splashing" Season!

The girls swim team showed their strength and determination through a successfull record this season. The team members, mostly newcomers, spent many hours of hard work with coach Pat McCummins to build the endurance and skill necessary to be competitive.

The outstanding swimmers included Emily Wade in freestyle, Leanne Robertson in breast, Yanina Gallardo in butterfly, and Nikki Takarabi in back. These four girls were the force behind a winning relay team.

Their first win was a 76 to 62 victory over Cresenta Valley helping to give them a motivating force to finish a strong season. Throughout the season, their toughest competitors were the San Marino and Arcadia teams. The skill and experience that the team has gained this year will help to make a strong base for next years team.

Vikings Fight for a Winning Season

This year's Varsity football team once again fought its way to a winning season. Under the direction of Coach Herb Robinson and assistant coaches Ben Steelhead, Gerald Scholes, and Lou Riley. The Vikings compiled a 6-5 record and reached yet another C.I.F. berth.

The preseason began with a 34-8 rout over Salesian High School. The Vikings went on to defeat Bonita 14-0 and Hoover 35-17. After a week of tough preparation, Blair faced cross-town rival, Muir High School. The loss of two major players, through injury, made it obvious the Vikings were not at full strength. The game was a seesaw battle as the lead changed back and forth. The Mustangs eventually won 25-20, on their final series of downs. The players emotions were lowered after the loss, and the following week the Vikings lost to Redondo Union 22-21, on the last play of the game.

The Vikings showed an uncanny ability to overcome their losses as they opened the league play with a 22-7 victory over La Canada. Blair then went on to face a highly ranked Temple City team. The game was tied 7-7, but the Rams took advantage of Blair penalties as they went to win 21-7. The Vikings faced a tough San Marino squad the following week. They did not let penalties get the best of them this time, as they were only charged with 2 the entire game. Blair also displayed great running and passing qualities as they won 21-6. Blair's only other league loss came to the Rio Hondo Champions, Monrovia High School. In their final league game and Homecoming, Blair defeated South Pasadena 18-6. The win took a C.I.F. berth from South Pasadena, and gave Blair a third place spot in the league standings.

The Vikings were once again jinxed as they lost to a tough Canyon High School team 41-20.

Next year's team looks very promising as the Vikings will have 26 players with Varsity experience returning. Coach Robinson hopes to produce not only the league champions, but the C.I.F. Champions as well.

Ben Steelhead has dedicated his life for over 30 years to coaching football. One of his strongest characteristics was how he cared for his players and enjoyed watching them grow and advance in many ways. It was a hard decision for Coach Steelhead to finalize his retirement from coaching football, but it is now his time to start moving on and bringing new challenges to his life, since variety is the spice and essence of life. We thank you, Coach Steelhead, for your dedication to the sport and our school.

Soph Frosh Football Hit Hardest By Ineligibility

The 1983 Sophomore and Freshmen Football Teams looked as though they would both be contenders for league championships. The teams were then troubled by the new eligibility rules. Due to this rule, the Freshmen team lost ten of their twenty-five players and the Sophomores lost thirty of their forty players. The remaining ten Sophomores were moved up to Varsity, who lost only five players.

Prior to the loss of players both teams had good seasons. The Sophomores, under the direction of James Cousins and Angelo Cesari, began the year with impressive victories over Salesian and Bonita. They then played a tough Hoover squad which they tied 12-12. The Vikings then went up against cross-town rival Muir. The Vikings held their ground until the last few minutes when Muir scored the winning touchdown to win 12-6. They ended their preseason with a 21-6 rout over Redondo Union. In their only league game the Vikings defeated LaCanada 14-6.

The Freshmen Team, under the direction of coaches David Mitchell and Alvin Harris, began their year with a tough loss to Dana and an impressive victory over Bonita. The Vikings lost to Foothill of La Canada, but came back to defeat Pasadena High School in an exciting victory. Their last preseason battle was against Redondo Union. The Vikings led 6-0 for most of the game. The Seahawks then came on strong to score two quick touchdowns and defeat Blair 12-6. The freshmen also played only one league game. The team lost to the Rio Hondo League Champs La Canada 28-0.

The coaches looked at this year as a valuable learning experience. They know that next year the players will be hitting the books instead of being hit by ineligibility. The coaches are also hoping for a full season and perhaps a championship season.

BALLPLAYERS ARE REAL SWINGERS THIS YEAR.

Blair Baseball was in high spirits this year. Under new coach Steve Somerlot, the Varsity baseball team joined together in their quest for a league championship. The team has grown and learned together over the past few years under the command and guidance of coach Joe Ballard. When Coach Ballard moved on to take the reigns of the varsity basketball team, the squad was left in limbo until they acquired a new coach. These baseball "Bowery Boys" set their sights on a Rio Hondo League Championship. Coach Somerlot brought his philosophies and tactics to this organization and brought a league championship one step closer.

Noteworthy performances are expected from Rick Nowak, pitcher; Charlie Nootbaar, whose hitting skill is an asset; Greg Vaughns, a strong hitting, left-handed, first baseman; Jose Carlos, anchor of the varsity infield; and Danny Hornbuckle.

In their first game against Muir they were down 4-2 in the bottom of the seventh with two outs, two strikes and bases loaded when Danny Hornbuckle roped a game-winning grand slam! Joe Lewis once said, "A champion is one who gets up, even when he can't."

This year's J.V. Baseball is a very young team with only three juniors on the roster. They faced an extremely tough Rio Hondo League. Coach Omer Plante says, "We are working hard and I am pleased with the way things are going. I am expecting a big season from Scott Wallerstedt and Ron Maxie. This will be a building year."

Varsity Hurt By Graduation

There is no doubt that last year's varsity basketball team had an outstanding season. There is also no doubt that this year's team suffered because of this. First year coach Joe Ballard did an admirable job. The team not only lost all five starters, but they only had one returnee.

The team had many difficulties at the beginning of the season. The Viking's only returnee Vaughn Rex was knocked out for the season by knee injuries. The new players had to take over and become a unit. The preseason schedule placed the rookie Viking squad up against a cast of veteran teams.

The team then entered the highly competitive Rio Hondo League. After dropping the first three games the Vikings defeated the second place South Pasadena Tigers, 54-47. Blair then dropped another three, only again to come back, this time beating La Canada, 74-72. In their final game the Vikings put it all together to defeat the league runner-ups San Marino, 63-59 in overtime.

Coach Ballard knew that it was only a matter of time before his team was to reach their peak. Unfortunately it happened at the end of their season. Ballard also knows that he will have a strong team next year with the many returnees and the tough summer workouts.

The team was led by many different players throughout the course of the season. Charles Pierce and Tony Russell did outstanding jobs as centers, while Ted Jones, Ken Cambell, and Steve Robinson led the forwards. The team also had two outstanding guards with Scott Bass and Robert Shaw.

SOPH-FROSH WINS LEAGUE

With first year coach, Mike Graber, there was little doubt that the Soph-Frosh team would turn out to be so victorious. The team composed of all Freshman, had inexperience as their greatest weakness. Despite their inexperience, they had the potential to take their team to the ultimate.

The pre-league record was 6-5, with great expectations for league. Out of the 5 losses, 2, against well matched opponents P.H.S. and Glenn, came from last second scoring. As the league play ended, the young Soph-Frosh were undefeated and became the city and league champions.

Outstanding players on the 1984 Soph-Frosh team were, Darren Gipson, who led in points and assists, Dion Smith, who led in rebounds, Larry Brown and Turran Williams, who also displayed excellent skill.

Guided by Coach Tim Guy and Assistant Amos Stevens, the Vikings managed to play a strong aggressive, man-to-man defense, and a high scoring disciplined offense. The Vikings were considered underdogs, but with good strategy and outstanding individual performances, the Vikings overcame some local teams, showing the championship quality that they are known for.

The outstanding J.V. players of 1984, who demonstrated skill and talent, were Arthur Barron, Darrell Canty, and Steven Lockhart. The best defensive player was Randy Rogers, and the most improved player was Marcus Abrams. This season has been one full of experience for the young team members hoping to play Varsity next year.

ANOTHER WINNING SEASON

Due to the fact that Blair won the Rio Hondo League Championship last year and were returning nine of their starters, they were expected to do very well.

Blair started off on the right track by defeating seven of their first nine opponents. After key victories over Muir and Glendale, the team went on to take third place in the Eisenhower Soccer Classic.

The Vikings were then ready to enter the tough Rio Hondo League. Blair was one of four Rio Hondo teams to be ranked in the top ten of CIF competition. These rankings proved competitive as Blair lost their league opener to another ranked team — La Canada. The Team then pushed number eight ranked South Pasadena to a 1-1 draw. The Vikings got back on track by defeating San Marino and the sixth ranked Monrovia Wildcats. The first round ended with a 2-2 tie with Temple City.

Blair opened the second round with losses to La Canada and South Pasadena and a tie with San Marino. Blair then defeated first place Monrovia and Temple City to keep their CIF hopes alive.

The team was led on offense by Paul Bodenshot, Eddie Perez, and Matt Inman. On defense were all league candidates Roger Krieg, Joe Bogaard, Sam Puffinburger and goalie Jeff Koch.

Coach Gaffney hopes to have a strong team next year with some promising returning players and a strong J.V. team.

Tennis Led By Underclassmen

The varsity tennis team was made up of an abundance of young talent. They were led by Peter Gertmenian, a junior as first singles, and Russ Decker, a sophomore as second singles. The Vikings also had two great doubles combinations with Nick Woods and Philip Kramer, and John Peterson and Henry Willis.

Once again the Vikings were placed in the extremely competitive Rio Hondo league. Facing five very tough teams including La Canada and San Marino. Coach Charles Lamb expects to have, yet another winning season. He knows that his team is young, but more important, he knows that they have a great deal of talent. As long as the team plays to their full potential they should qualify for a C.I.F. playoff birth.

The junior varsity, also directed by coach Lamb, should have a successful season. The team had a lot of alternates, with over 25 players coming out this year. They were led by Yuichi Handa, Chris Brandt, and younger brother Patrick Brandt.

RUNNING TO VICTORY

The key to the 1984 track team was the one-hundred percent commitment of every team member to strive for excellence to be number one. The track team, who was led by Coach Don Molloy and assisted by Coach Ben Steelhead Sr., enforced hard work outs, which seemed to pay off. The physical preparation for competition came alive when the track team ran against their well matched opponents from the Rio Hondo League. As for strong points, Sam Morgan led in sprints, Harry Johnson led in hurdles, Suresh Krishnan led in distance. An impressive relay team was composed of Darryl Austin, Darryl Harvey, Sam Morgan, and Chris Martin.

As the season began, there was much optimism for a successful team. Victory came against cross-town rivalry, P.H.S. and those hopes were secured. The team members displayed talent and potential during the season. As the first invitational track meet came, the overall points gave Blair a remarkable victory over the ten schools that competed. With the individual performance of every team member, the 1984 track team was one of the better teams that Blair has produced. As the season ended, Blair had taken another league championship.

The Soph-Frosh team displayed as much enthusiasm as the Varsity team, and possesed potential and talent as well. The most promising members on the Soph-Frosh team were Anthony Beaty, Doug Galindo, and Pat Bodenshot.

Swimmers Led By Seniors

This year's varsity swim team followed the footsteps of swim teams past. Once again our team was led mainly by seniors. Outstanding performances were turned in by Brad Pickering in the breaststroke and freestyle, Kevin Turk in the backstroke and freestyle, Victor Gallardo in the backstroke and butterfly, Ain Cocke in the freestyle, and Craig Piper in the freestyle and backstroke. The team also had some very strong underclassmen. Keith Sherry turned in excellent times in the backstroke, while Julio Gallud excelled in the distance freestyles and the butterfly, and Robbie Hendrix did well in the freestyle, butterfly, and the breaststroke.

With all of their great individual efforts the team still had troubles. Swim meets are won by a compiling of team points. The Vikings won many races but due to the lack of members, lanes were not filled, thus causing Blair to lose the meets.

The Junior Varisty team had the same problems that our varsity had. While great preformances were turned in by Jon Bodenshot, Wes Lake, Sean Boyd, Chris Moore, and Eric Oberholtzer, the team lost meets because of their lack of competitors.

Coach Pat McCummins saw a lot of talent in this year's junior varsity. She is hoping that these swimmers will again come out next year. She knows that if she can recruit more swimmers for next year we will have a very strong team, a team that will achieve many team victories as well as individual victories.

Poloist Excel With New Personnel

The 1983 Varsity Water Polo Team was plagued with not only the loss of last year's coach, but the loss of four out of last year's seven starters. Nonetheless, the team, under the direction of coach Brian Biery, fought its way to an awesome 5-2 league record.

The season began rather slow as the Vikings lost two of three games in the Montebello Tournament. They then went to face four tough "4A" schools. Defeating a rough Arcadia team, but losing to P.H.S., Loyola, and high ranked Muir.

They then entered the La Puente tournament. After losing the first game they showed their pride by coming back to win the next three. Thus, they were crowned consolation champions.

The Vikings began league on the right foot, with victories over Monrovia and Burbank. They then faced South Pasadena for one of the closest matches of the season. The game was tied until the final minutes, when South Pasadena opened up with two quick goals. The Tigers went on to a 18-15 win. The Vikings quickly put this loss behind them and defeated La Canada and Burroughs. The only other league loss was to the undefeated league champs, San Marino. With their impressive league record the team assured itself a CIF play-off birth.

This year the J.V. team and Frosh-Soph team were also under the direction of Brian Biery. The Frosh-Soph team was put together at the last minute to face those schools who also had a Frosh-Soph team. The J.V. team showed talent and flexibility.

Cross Country Runs Into Problems

The 1983 Cross Country Team had another difficult season. The Vikings were by no means hurt by the quality of its runners, but by the quantity. This problem was faced not only by the boys' team, but also by the girls'. The boys, with only nine runners, were only able to have a Varsity team. The girls were not as fortunate. With only four girls, all of their meets were run, but they were forced to forfeit any winnings.

The team won two out of its five preseason meets by defeating Crescenta Valley and Schurr. The Vikings lost to El Monte and forfeited to Muir and Loyola. With such a short preseason, Blair entered the season unprepared. The Vikings lost their first three league meets. The runners then went on to defeat a tough Monrovia squad. They then lost their final league meet to Temple City.

Coach Molloy will have nearly the whole squad returning next season. He believes that if he can obtain some new runners, to add to the personnel, the Vikings will have a very successful season.

Dear Mrs. Roshko,
What would we have done without you? You are the greatest advisor and friend that anyone could ever have. Your smiling face and great enthusiasm have brightened our days at Blair and made us hopeful for a successful senior year. We would like to express our sincere love and gratitude for all that you have done for us.

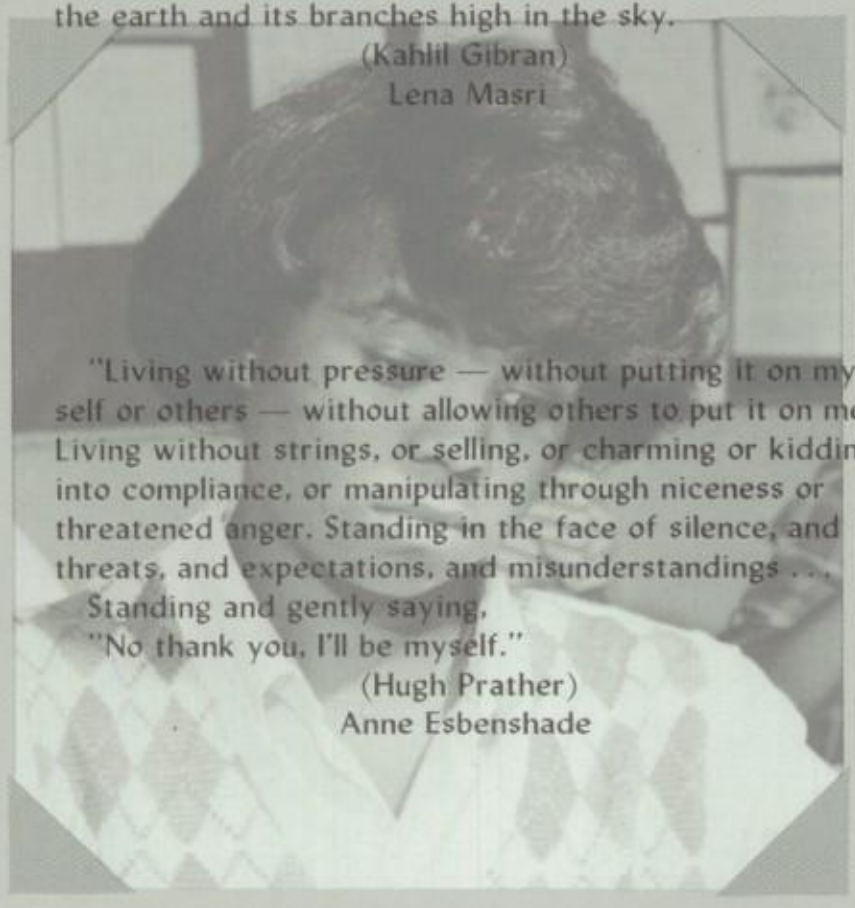
"Friendship is a special blessing from above. It is the sharing of activities with someone who understands and cares. It is the bringing out of beautiful things in each other that no one else looked hard enough to find. It is the mutual trust and honesty that lets us be ourselves at all times."

(Emerson Williams)
Shelly Serrurier

" . . . the children of tomorrow are the ones called by life, and they follow it with steady steps and heads high. They are drawn of new frontiers, no smoke will veil their eyes and no jingle of chains will drown out their voices. They are the seed dropped before the face of the sun and it shall grow into a mighty tree, its root in the heart of the earth and its branches high in the sky.

(Kahlil Gibran)
Lena Masri



"Living without pressure — without putting it on myself or others — without allowing others to put it on me. Living without strings, or selling, or charming or kidding into compliance, or manipulating through niceness or threatened anger. Standing in the face of silence, and threats, and expectations, and misunderstandings . . . ,
Standing and gently saying,
"No thank you, I'll be myself."

(Hugh Prather)
Anne Esbenshade

"May the Lord our God watch between me and thee while we are absent from one another."

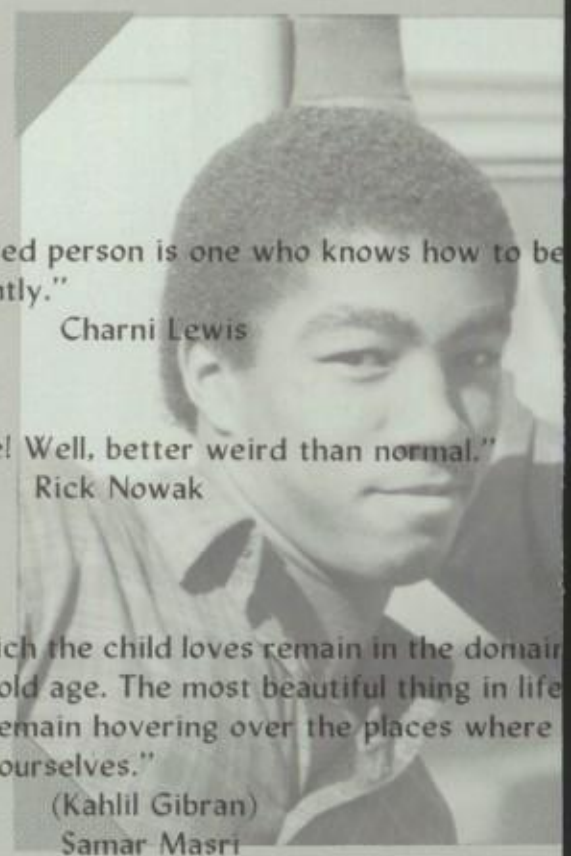
Becky E. Johnson

"Each moment of the year has its own beauty, a picture of which was never seen before and which will never be seen again. Remember, 'If God shuts one door, he opens another.' "

Rosita Cesari

"There is a great difference between freedom from and freedom to. We are free from many burdens, but we are free to do anything. Everyone and everything deserves the best we have to offer."

Karen Baldeschwieler



"A truly educated person is one who knows how to be ignorant intelligently."

Charni Lewis

"Ain't this the life! Well, better weird than normal."

Rick Nowak

"The things which the child loves remain in the domain of the heart until old age. The most beautiful thing in life is that our souls remain hovering over the places where we once enjoyed ourselves."

(Kahlil Gibran)
Samar Masri

" . . . I mean, I really do think that love is the best thing in the world, except for cough drops. But I also have to say for the umpty-umpth time, that life isn't fair. It's just fairer than death, that's all."

(The Princess Bride)
Ann Y. Kikuchi

"The calling for the return of the draft is an enormous step backward in the striving for a humane world. No renewal, American or other, should be based on blood. A man who specializes in killing other men, regardless of ideology, is an assassin. Forcing youths to do this is a crime."

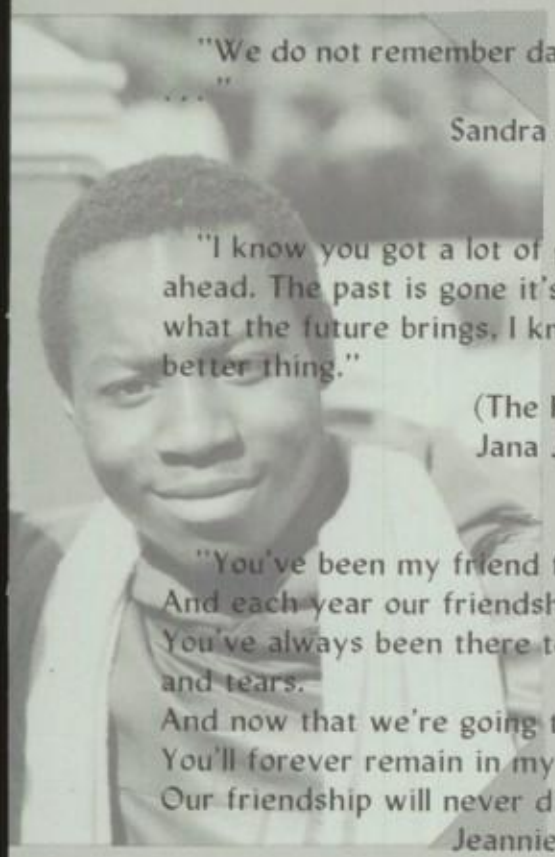
(J.L. Borges)
Joseph Bogaard

"My mother cried . . . when President Kennedy died. She said I was a communist, but I knew better . . . we were the class they couldn't teach 'cause we knew better, we were born . . . born in the fast lane."

(Police)
Ain Cocke

"Hi, what's the essence of what we're talking about here? We're all seniors now. I'll spell it out for you: GRADUATION. Ya know, it usually helps if you break down a word. Let's do that now. 'Grad' from the Latin doesn't mean anything. 'U' I think we all know what that means, and 'tion' means to push away, to say 'no.' To say 'I don't want to graduate' . . . that doesn't even belong in here. Get out of town!"

Spacin Pat Mason



"We do not remember days, We remember moments . . ."

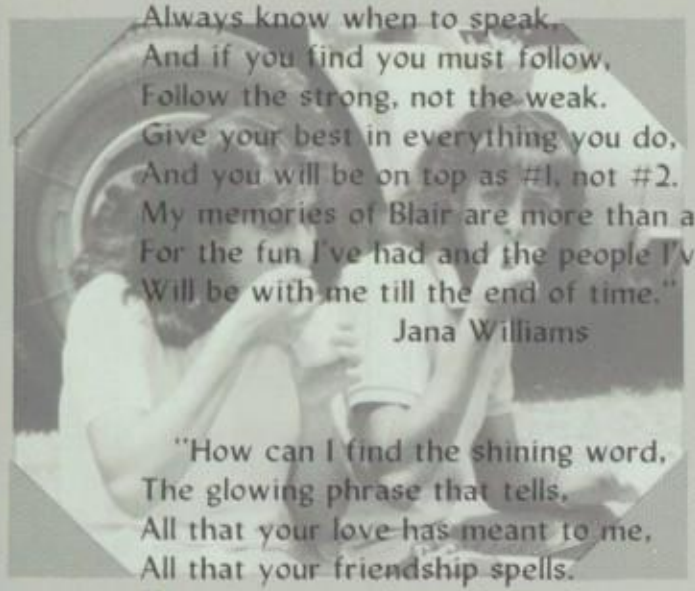
Sandra Cramer

"I know you got a lot of good things happening up ahead. The past is gone it's all been said. So here's to what the future brings, I know tomorrow you'll find a better thing."

(The Kinks)
Jana Jones

"You've been my friend for so long,
And each year our friendship has grown.
You've always been there to share my joys, sorrows, and tears.
And now that we're going to be apart,
You'll forever remain in my heart.
Our friendship will never die."

Jeannie Pursel

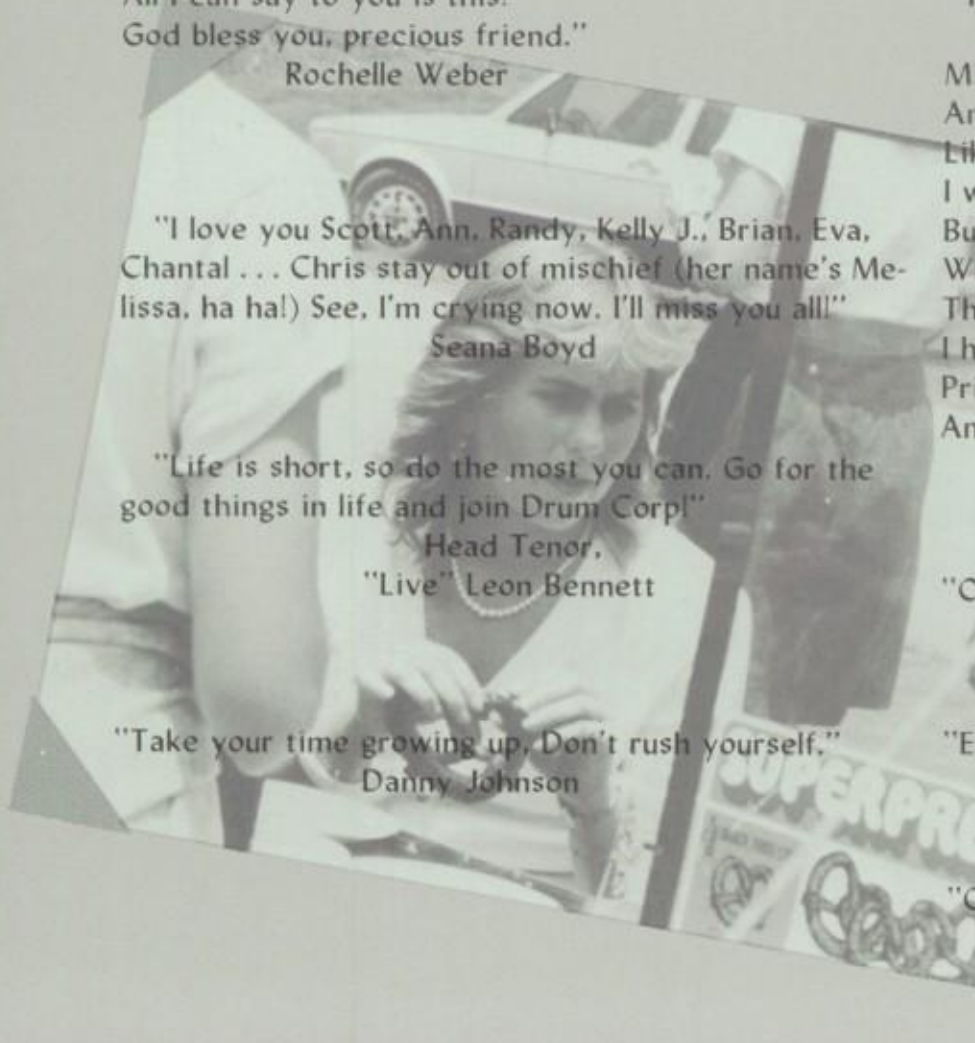


"Always be willing to listen,
Always know when to speak,
And if you find you must follow,
Follow the strong, not the weak.
Give your best in everything you do,
And you will be on top as #1, not #2.
My memories of Blair are more than a rhyme,
For the fun I've had and the people I've met,
Will be with me till the end of time."

Jana Williams

"How can I find the shining word,
The glowing phrase that tells,
All that your love has meant to me,
All that your friendship spells.
There is no word, no phrase for you,
On whom I so depend,
All I can say to you is this:
God bless you, precious friend."

Rochelle Weber



"I love you Scott, Ann, Randy, Kelly J., Brian, Eva, Chantal . . . Chris stay out of mischief (her name's Melissa, ha ha!) See, I'm crying now. I'll miss you all!"

Seana Boyd

"Life is short, so do the most you can. Go for the good things in life and join Drum Corp!"

Head Tenor,

"Take your time growing up, Don't rush yourself."

Danny Johnson

"We've travelled a long, long time together,
And there have been a lot of good things on the way.
But now it's almost time for leavin'
And the things I feel inside are very hard to say.
But it's time for moving on, my friend,
Hold back all the tears and sorrow.
It's finally time to go our separate ways.
And I want to wish you well, my friend,
As we search for new tomorrows.
Go as you must, but please, don't forget yesterdays.
Remember the dreams we dreamed together,
All the joys we shared in getting to today.
Now, just one more time before you leave me. Reach out and take my hand,
And help me walk away."

Paula Chan

"To the fantastic seven:
I love you all dearly and thanks for all the great times and laughs. You guys are all fantastic friends and I will never forget any of you! We are so great!"

Marie

"Good Lord, good grief, this is toooo brief."

Anthony Woods

"To the boys:
It is hard to say goodbye to a
Million dreams, a thousand promises,
And you.
Like reading a good book,
I was reluctant to finish the last page.
But the memories of you are
Written well within my life.
They are things that cannot be taken from me.
I have set aside a book for them on my
Private shelf,
An adventure in the volumes of love."

Irene Hernandez

"Living high, living fine,
Never say never,
It's a free world,
Don't hold back,
Do what it takes,
Give it all you got,
Keep it slow,
Keep smiling,
You are never alone.
If you act as you think,
It will all come sooner,
If you play the game.
Always and forever . . .
My heart is always with you,
I'll be watching you."
Katya Armistead

"You only live twice,
Once when you are born;
And once when you look death in the face."
J.B.

"The more you study, the more you know.
The more you know, the more you can forget.
The more you can forget, the less you know.
So why study??"

(Edgar Allan Poe)
Ken Lake

"Cherish your yesterdays,
Dream your tomorrows,
But live your todays."
Monica Gonzalez

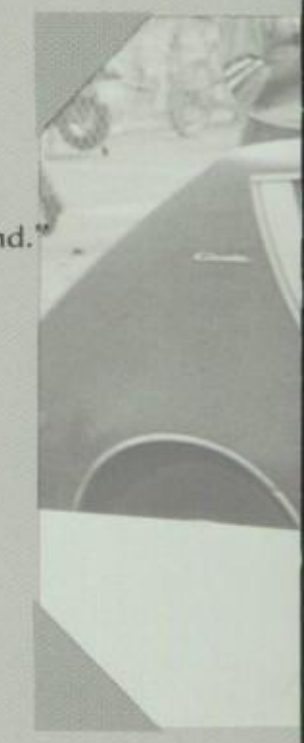
"The good times, the bad,
the fun we both had,
the tears,
and the fears,
those are over and we are in the clear,
there shall be no more fight,
for together with you, I can see the light."
(Owens)
Paul Bodenshot

"Few thanks for the times that you've given me,
The memories I'll hold in my mind.
The happiness you'll never know,
I love you . . . "
Julie Anderson

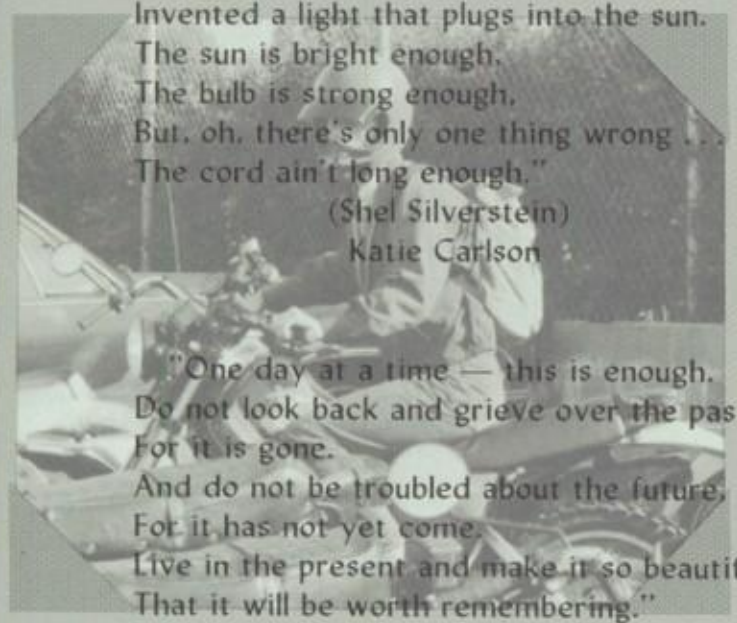
"Father, we thank Thee for the night,
And for the pleasant morning light;
For rest and food and loving care,
And all that makes the day so fair.
Help us to do the things we should,
To be to others kind and good;
In all we do and all we say,
To grow more loving every day."
Darryl Austin-Jones

"We are the music makers,
And we are the dreamers of dreams,
Wandering by lone sea breakers,
And sitting by desolate streams;
World-losers and world-forsakers,
On whom the pale moon gleams;
Yet we are the movers and shapers,
Of the world forever, it seems."
(O'Shaughnessy)
Elizabeth Tremblay

"When the world is running down,
You make the best of what's still around."
(The Police)
Lori Richardson

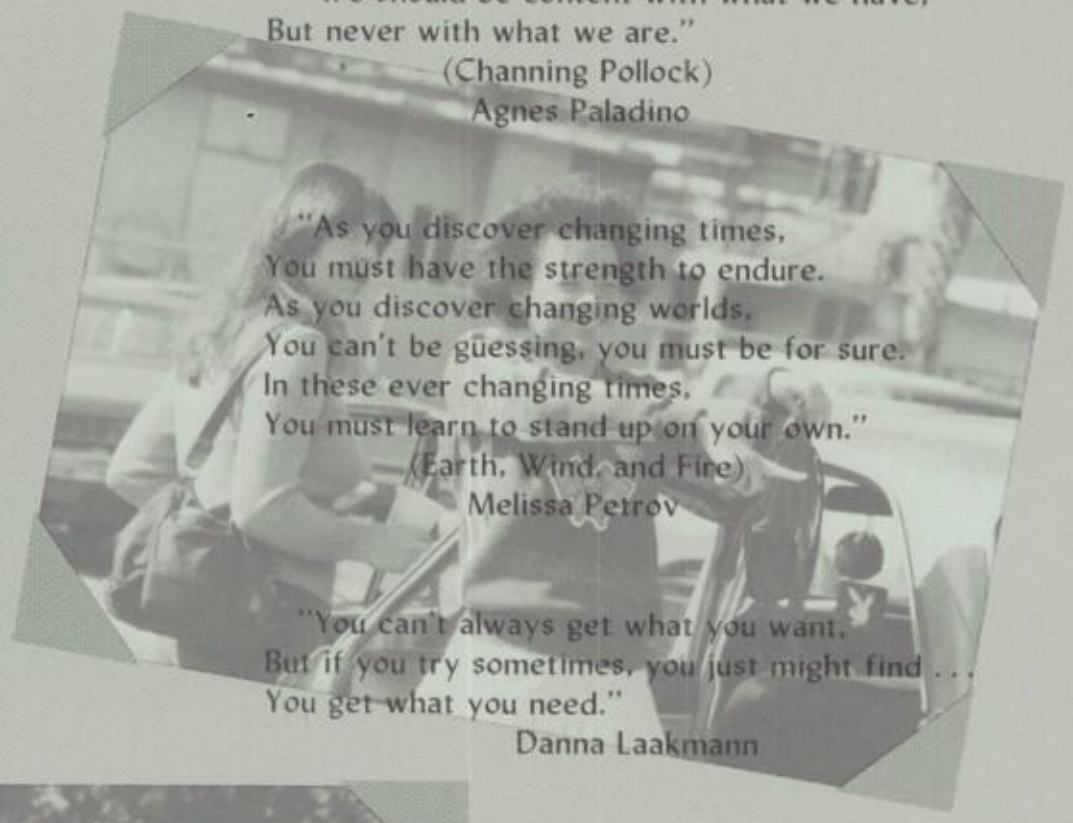


"I've done it, I've done it!
Guess what I've done!
Invented a light that plugs into the sun.
The sun is bright enough,
The bulb is strong enough,
But, oh, there's only one thing wrong . . .
The cord ain't long enough."
(Shel Silverstein)
Katie Carlson



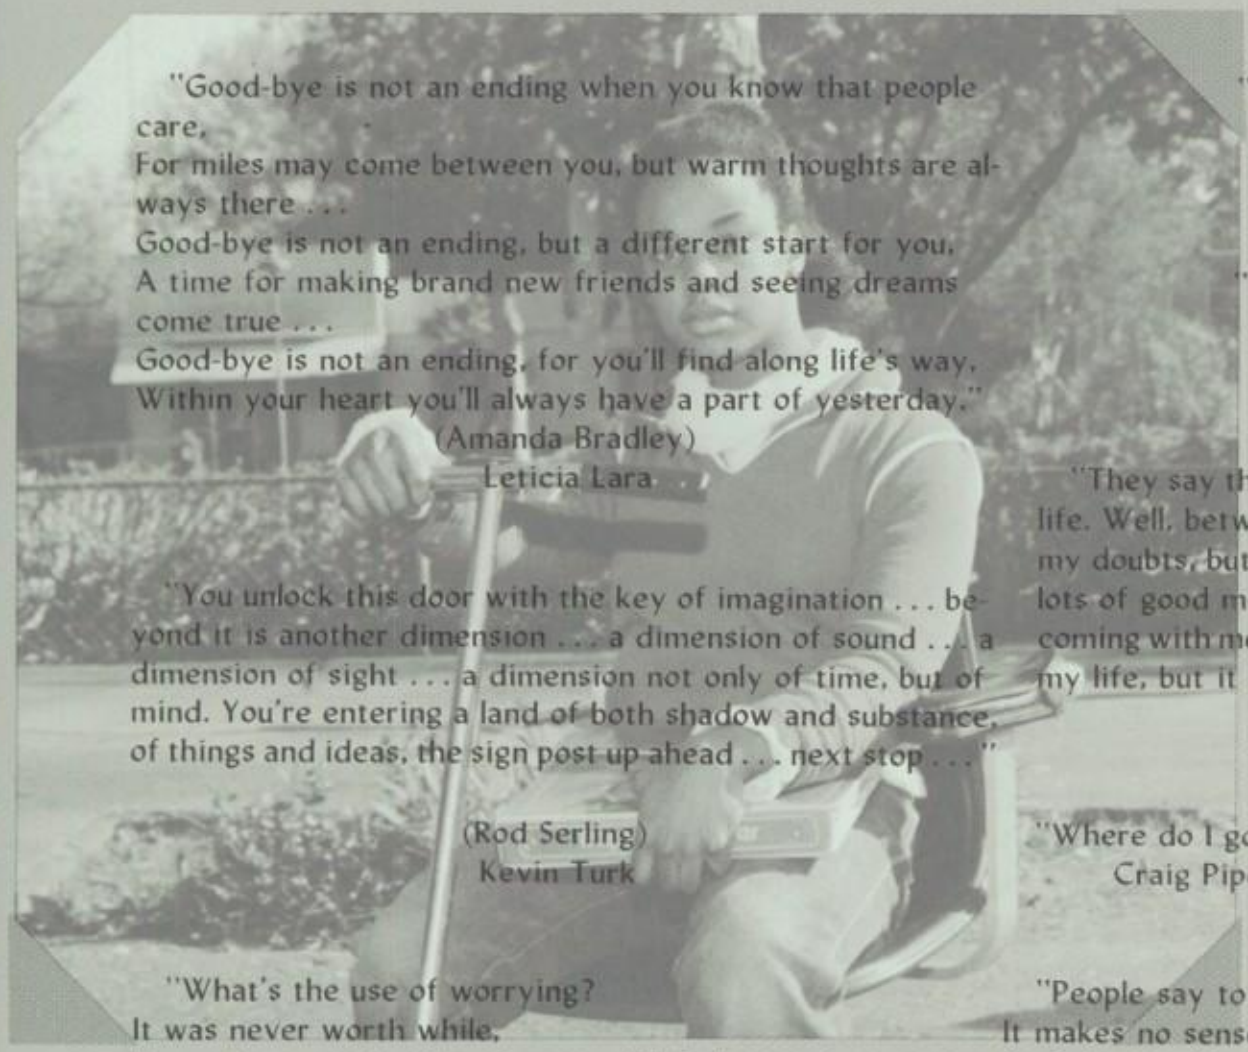
"One day at a time — this is enough.
Do not look back and grieve over the past,
For it is gone.
And do not be troubled about the future,
For it has not yet come.
Live in the present and make it so beautiful,
That it will be worth remembering."
(Ida Scott Taylor)
Grace Schwemmer

"We should be content with what we have,
But never with what we are."
(Channing Pollock)
Agnes Paladino



"As you discover changing times,
You must have the strength to endure.
As you discover changing worlds,
You can't be guessing, you must be for sure.
In these ever changing times,
You must learn to stand up on your own."
(Earth, Wind, and Fire)
Melissa Petrov

"You can't always get what you want,
But if you try sometimes, you just might find . . .
You get what you need."
Danna Laakmann



"Good-bye is not an ending when you know that people care,
For miles may come between you, but warm thoughts are always there . . .
Good-bye is not an ending, but a different start for you,
A time for making brand new friends and seeing dreams come true . . .
Good-bye is not an ending, for you'll find along life's way,
Within your heart you'll always have a part of yesterday."
(Amanda Bradley)
Leticia Lara

"You unlock this door with the key of imagination . . . beyond it is another dimension . . . a dimension of sound . . . a dimension of sight . . . a dimension not only of time, but of mind. You're entering a land of both shadow and substance, of things and ideas, the sign post up ahead . . . next stop . . . "

(Rod Serling)
Kevin Turk

"What's the use of worrying?
It was never worth while,
So, pack up you troubles in your old kit-bag,
And smile, smile, smile!"
Tracie Scarborough

"It takes a second to say good bye."
(U2)

(The Police)
David DeLeon

"They say that your high school years are the best of your life. Well, between finals and Roshko's notebook, I have had my doubts, but I have a feeling I'll miss this place. There are lots of good memories and friends left behind, but a lot are coming with me. I am not sure if these will be the best years of my life, but it beats anything I've had so far."
Brian Stevens

"Where do I go now?!!"
Craig Piper

Juniors

How the years fly by! Just yesterday it seemed these juniors were being teased as freshmen. Next fall they will be seniors . . . the big guys on campus. This class is strong, and they have the potential to continue the spirit that the Class of 1984 brought.

The Class of 1985 was responsible for much of the spirit on the campus this year. Throughout many of the assemblies, the junior section seemed to be the loudest, having overwhelming spirit. Under the leadership of their fall president Marcus Dawson and spring president Miko Campbell, the junior class proved themselves strong. Although there are several separate social groups within the class, they always manage to pull together and carry out their activities successfully.

This school year seemed to lack the number of activities of previous years. Many of the students seemed threatened with the thought of the closure of Blair, therefore activities were not their top priority. Hopefully the influential strength of the A.S.B. and the seniors will encourage the juniors to revive their involvement in Blair and make their last year a good one. We are confident that Blair will not close, so hopefully the morale of these new seniors will become higher. We wish you luck!

Sophomores

After a long and hard Freshman year, the Class of 1986 has finally started to become accustomed to the surroundings of their new high school. With the help of the live upperclassmen, they are becoming one of the more successful classes at Blair. Part of this is due to the fact that they had an excellent Freshmen class President, Monique Craft, who started the class off on a good foot.

After a change of advisors, it can sometimes be difficult to be successful. But with KoKo Williams as the new advisor, all their fund raisers have been successful. Especially their carnation and candy cane sale at Christmas.

A very special quality, that not many classes have, is spirit. The Sophomore class certainly has a lot of this!

Freshmen

Beginning a new year in an unfamiliar atmosphere can be a frightening experience. This is a familiar feeling for any member of the freshmen class. Try to think of a term that describes a freshman and you come up with words like "cautious," "confused," and "curious." There was a lot of talent in academics and athletics, and most became very involved in activities.

Picking a freshmen out of the crowd is not a hard task. It is a freshmen who usually walks into the wrong class, or the one who carries a map of the campus during the first semester, or the one who walked to Allendale thinking it was C-campus.

Being a freshmen class officer wasn't a easy task. It truly took a lot of time and effort combined with a busy schedule. Trying to get other class members interested and motivated to get involved with the happenings at school was a full time job.

The freshmen class was led by President Sean Boyd; Vice-President Barbara Davis; Secretary Ildi Pentek; and Treasurer Pat Brandt during the fall semester. In the spring, President Brenda Ramirez; Vice-President Jose Munoz; Secretary Ruben Brown; and Treasurer Efren Paniagua, led the active class. Several officers showed great leadership capabilities. The class was under the fine advisorship of Virgina Berrentini.

During November, the class had a very successful candy apple sale which got them off to a good start financially. Due to the success of the sale in November, the class decided to have another in the spring.

Finally, their spirit at assemblies was exceptional. They let the rest of the classes know that they're proud to be the Freshmen Class of 1987. Although Blair is a great adjustment from junior high school, they have adapted well. They showed great leadership qualities for their years to come at Blair.

Jean Cativiela turns fiercely around to see who threw the ball at him.

Administration holds Tight Through Thick And Thin

As September rolled around and Blairites were rushing to get the last bit of fun out of summer, the administration was working hard on their plan of action for the upcoming year. The class programs were sent out and the students were informed of the day they should attend the registration festivities. The school year commenced with many disturbances. Budget cuts, teachers' salaries, and student busing were the major problems. The new conditions caused many headaches and frustrations, but due to our administration's organization, the situation was resolved.

Above: Top row — Charles Parcell, Ken Olsen. Middle row: Norman Morrow, James Storms. Bottom row: Kathy Lesley. Right: "O.K. . . . I'll bring home pork chops, two heads of lettuce, and the laundry."

Though the year was tough for the staff and a number of responsibilities were unexpectedly thrust upon them our mighty Viking leaders pulled through. In green and gold t-shirts, they strode through the tunnel with inspiring smiles on their faces. Could a day go by without Ken Olson's cheerful hello? The friendly "Hey Kiddo" from Mr. Parcell was nice to hear after failing a chemistry test. Mr. Morrow's compassion concerning student activities was overwhelming. "Hey, I knew that Storms guy wasn't so bad after all." And of course the line of eager students waiting to dance with Mrs. Lesley proved that administrators are our friends as well as our mentors.

The administration does a lot more than students realize. They dedicate a great deal of time and they are always around when they are needed. We would like to take this time to thank them for all the little things they do that make our years at Blair special.

Above: Mrs. Lesley cheerfully shares lunch with a student. Top: "Who me? I'm a good boy" declares Mr. Storms, the dean of boys. Top right: "You don't wanna mess with me?! Do Ya? Do Ya?" thinks Mr. Parcell. Far right: Mr. Olson scans the scene to see if the coast is clear.

The Crew That Helps Us Through

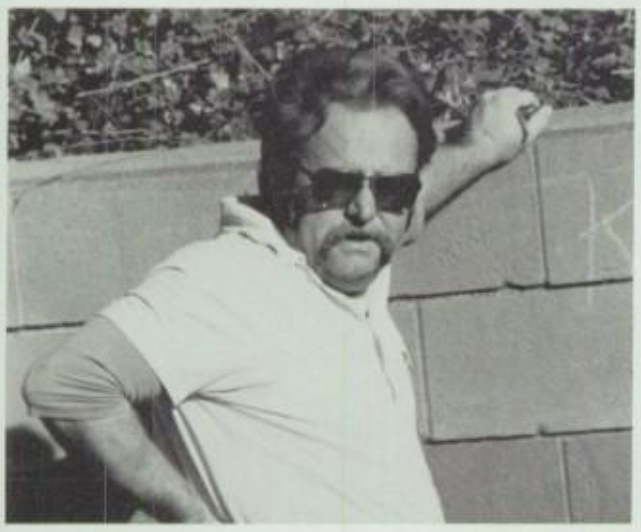
Who is always there to help you with your schedule, COUNSELORS. And who is always there when you have a question about college, the COUNSELORS!!! This trouble solving trio is always around to help us over those troubled times we all have. These three men are irreplaceable and we are very lucky. We can't express our thanks and deep gratitude we have for them.

Top: Bill Warren, Gene Lambert, Don McAlpin. *Above:* Honey, is that you!? *Top right:* Hello, it's Howdy Doody time! *Right:* Mr. Lambert does his Sammy Davis Jr. impression.

Security Gets Tough

If you don't plan on attending class, or you're going to show up casually late, be on the lookout for our fearless green security net. The members of our Blair staff, patrol the campus to keep students in class and out of B.A.P.

They also make sure that our students use the tunnel, which is a new policy. With the new, "go to the bathroom, go to the dean" regulation, our security staff has had to crack down.



Top: Front Row: James Cousins, Mrs. Aebersold. Back Row: Brenda Chism, Diane Jordan, Mark Hagen, Barbara Nelson. *Top left:* "Watcha talking about Chuck?" exclaims Diane Jordon. *Above:* Mark Hagen is tired of watching students ditch class. *Above left:* Brenda Chism clutches her teeth when posing for photo. *Bottom left:* "Pass ladies?" questions Omar Plante.

THE FEW . . . THE PROUD . . . THE SECRETARIES

As soon as school started, the small but elite staff of clerical help dug in to fight the many problems that plagued Blair. Despite these mishaps, they utilized their small force to achieve the ultimate victory — to get Blair running.

The secretaries that normally stood guard over the summer had been relieved of active duty, and when the year began, they were in a frenzy to get the organization back on its feet. The new recruits lacked locker assignments and the atten-

dance program was still in training.

In addition to the hassles, duties were divided by percentage. Members of the group would work attendance, switchboard, and any odd jobs that needed to be done. At other times, they were sent to the counselors' and deans' offices.

This separation of duties made work very tedious for our secretaries, but through the diligency and dedication of our surviving warriors, our campus ran smoothly.

Mix it up
Mess it up
Clean it up

What would our school be without custodians? The custodial staff keeps our school functioning safely, properly, and neatly. This small group of dedicated men are always on call to tend to any emergency that may pop up. Due to them our classrooms are cleaned, our campus is kept tidy, and our plants and gardens are kept up. We benefit from them a great deal, yet their efforts usually go unnoticed. We would now like to say THANK YOU to our custodian staff.

In addition to the custodians, the cafeteria workers have a major job of importance. Alone they manage and operate the cafeteria and canteen. Everything from the preparation of the food to cleaning duties is done by our foods and services staff. So next time you dig your teeth into a burrito or stand in the combo line think of the staff that makes it all possible!

Learning First Hand

If you've ever felt disillusioned with classes, noticing no immediate effects other than a swollen brain, you might try the Business Department. Many students have entered the business world after graduation as a result of the excellent business program here at Blair.

The overall opinion about Blair's Business Department is that it is very effective in preparing students for future careers. Business teachers who were determined to prepare students fully for careers in business set high goals for their students.

Home economics teaches as much to students as English, Math, or History. Rather than gaining knowledge from a book, these classes are basically hands-on learning experiences. Of the courses offered, Foods, Sewing, and Early Childhood Education are the most popular. So, if you've ever had a cake fall, or sewn a zipper in backwards, or just can't seem to understand kids, let the experts in the Home economics department make your life easier!

Math Department Solves All Problems

This year math requirements became more rigorous and students literally hit the books in such classes as algebra, geometry and trigonometry. Due to increasing requirements by the colleges, students were advised to take more mathematics.

Our math teachers are very involved in activities in and around Blair. Mr. Aromatario is the advisor of the Jr. class, as well as the baseball coach at Muir. The chess club benefits from Mr. Larsen's expertise.

Above: First row — Mrs. Taylor, Mrs. Williams. Top: Mr. Larsen, Mr. McDonald, Mr. Armatorio. Above right: Mr. McDonald gives his typical Monday morning smirk. Right: Dave Armatorio rushes out of the parking lot due to a Big Mac attack.

Mrs. Taylor is the proud advisor of CSF and BEACON. The Sophomore class enjoys Mrs. Williams cheerful help as its advisor. Due to the great demand for computer classes, Mr. McDonald has been able to utilize his vast knowledge of the computer field. Mr. Lopez helps our Latino population understand the already confusing mathematics.

Throughout the year, the math teachers supported us wholeheartedly, in every way, means and manner possible.

English is Not Only a Part of Everyday Life

The English Department offers students the best practical education they will probably receive at Blair. Biology may fade from memory, and geography may not seem important even if it could be remembered, but because it is used day after day as a necessary means of communication, the English education received at Blair will stick with you throughout your life, for those who accept it.

Contrary to what some students may believe, grammar is a relatively small as-

pect of the English Department. Perhaps the Department objective should be clearly defined! Undoubtedly many people don't use proper grammar, but which is more important: what is said, or how it is said?

Emphasis in most classes was placed on developing the mind to a level of understanding beyond the surface. Delving into what may have seemed an unimportant episode in a book and coming up with a totally new and meaningful interpretation, was the goal teachers set for most their students. Not all people relished the idea of having to write deep, insightful essays, but to those who successfully completed the task, came the rewards of a satisfied mind and a commendable grade.

When someone is able to communicate on virtually every level of thought, no door can be closed to him. As this year departs, with it goes another group of people who attest to the success of Blair's English Department in attaining its goals.

The Many Sides of History

One of the largest departments at Blair is the Social Studies department. Every student is required to take a full eight semesters of social science.

From ninth grade urban problems and world geography to twelfth grade government and behavioral science, the department offered a well balanced education. Though some students may not have appreciated their social studies, they will later find themselves using the informa-

tion learned in both the most common and the least expected situations, as well as being able to impress just about anyone they choose.

Teachers within the department boast about the positive attitudes from the students. Many extras have been added to the curriculum such as police visits. The Social Science department is one of the best at Blair!

Above: "Wait, which one's the chalk!?" thinks Mr. Crowe. *Top:* back row, Mr. Alfaro, Mr. Waller, Mr. Crowe, Mr. Cox. Front row, Mr. Sotelo, Ms. Wycoff, Mr. Wallace.

They Blinded Us With Science

All students at Blair take science some time during their four years. Whether it's for college preparation or just meeting graduation requirements. The Science Department manages to please just about everybody, those who are science-oriented and those who are not.

The majority of the students seem to prefer life sciences to physical sciences, though both have good enrollments.

There is something about a knife and a dead frog that can grip the attention of any unnatural-born scientist as well as fascinate the natural borns. Science teachers have noticed that labs take away from their lecture popularity, but on the grounds of seeing is believing, they are forced to submit to demands.

As requirements from graduation and colleges increase our science department becomes stronger. Due to the requirements we are looking towards the future and seeing more people enrolled in our various science offerings.

Speaking Our Language

If you are interested in people, one of the most enjoyable departments can also be one of the most rewarding. Learning a foreign language is interesting as well as fun. Once learned, it can be of infinite use in understanding and relating to people with whom you otherwise may not have ever been able to. The motivation to travel and to learn of a particular country is heightened by the knowledge of its native language. The possibilities of meeting people are much greater.

Though cut funds and smaller enrollments were responsible for a reduced number of language classes, interest still ran high.

Special People For Special Programs

In addition to the regular curriculum offered, Blair houses programs for students who need or desire special classes. Possessing the only campus in the district that is equipped for the physically handicapped, mainstreaming is a major focus. Students with impaired hearing and vision have their schedules supplemented by teachers who are trained in the specific areas.

The COPE program, implemented three years ago with a bit of controversy, has

proven its benificence in guiding teenage girls through pregnancy, while remaining in school.

With over 40% of the student body being of foreign origin, the ESL (English as a Second Language) department is especially strong. Classes in Chinese, as well as Spanish, are available for those students who have not yet obtained total command of the English language. Another program, though much less in demand, nonetheless, desired, is that of JROTC, (Junior Recruit Officer's Training Corps). This group of approximately 30 members meets as a regular class, but may also be found at lunch or after school polishing up their skills.

Boasting this extensive schedule of programs, Blair goes above and beyond the fundamentals of education to provide students with the special services they deserve.

Lets Get Physical!

The P.E. department at Blair deals with more than games and sports. Skills which students may use during the course of their life are attempted to be taught. Students are encouraged to enjoy participating in sports and games that they previously have not been exposed to. Here at Blair, students may choose from the regular sports like football, basketball, and baseball but also have the option to select unique activities including golf, bicycling, dance, aerobic dance, and badminton. The coaches have done a good job in of-

Music Sings The Blues

Through the years, the music and drama departments have slowly deteriorated. This situation does in no way reflect the dedication of the teachers. Though evolving slowly, but now apparent, the lack of participation by the student body has taken its toll on the department.

Mr. Abdoo is the third band director to come to Blair in the past three years. His fresh enthusiasm attracted a few members, which will hopefully become the core for the coming years.

Last year, thirty-eight seniors graduated from Mr. Coday's choir and drama classes. This sudden depletion produced a discouraging effect at the beginning of the year, but it was quickly overcome by successful performances. Revisions in traditional ideas were made to compensate for the size and newness of the groups. The department has survived the growing disinterest and developed an optimistic outlook through the devotion of these teachers.

Above: Mr. Coday thinks, "Wow! I could of had a V8." *Middle:* Sandy Coria studies her lines. *Right:* Mr. Abdoo sings along with his class.

The Arts Are More Than Just Another Elective.

Industrial Art and Art are often classes which are overlooked. But, if taken seriously, these classes offer excellent vocational training. Various works of art have been seen in the Saga, Star News, and the North Star. Some drafting students have received honors in several structural design contests. Much time, effort, and thought go into these works of art. It takes a special kind of person to be able to put their feelings and creative abilities to work. The arts are more than just an elective.

Remember the ghost of Taquitz mountain?
The horse and wagon on Ramo stage.
The extra necklace at the Olvera Street fountain.
And looking for your names on Romancers cast page.

Girl scouts, slumber parties, Arrowhead skiing.
Wizard of Oz, Soccer, and derby hats.
Happy girls show a sense of well being
And the smooth turned grace of satisfied cats.

You've done your time as obedient daughters.
Checked out the world from your safe little nest.
Now it's time to test the lonely waters
With those at home wishing you the best.

Happy Graduation,
Jean and Erstwhile

To all our buddies who have made our senior year so fun! LIKE:

Mike: The Big Alabama Bound Bacardi Kid. Hey bud it's been great and now it's time for me to leave, but hey you and T. can come down and party if I'm not at PCC. Take it slow and don't party too much without "Big D" — D Hey Toys-R-Us Kid! You could always lift my spirits! All I'd hear is "Hey Paul" and there would be my happy bud. We've had so much fun! I wish it never had to end! Miss you!-P

Todd: THANKS BUD . . . — D Cujo and buddha head. We've had some good times. Have fun! There's so much ahead and I know you'll succeed. Maybe one day bombed buddha will meet bombed cujo-P

Jeanne: Party Animal of the 80's! Hey the year's been great especially with the gang. All those parties! Lots of memories. Hopefully we'll see each other in college. That would be great. We could party EVERYDAY! But remember all of us wherever you go-D My forever buddy. You are my memories — all those years! The big D's (plural) and the one A. Earnstene's, OH GOD, they've all been there! That's so Live! I LOVE YOU! I can't believe it's already time to go!-P

Julie: That's it, high school, it's over, and for a senior year it was pretty good. Thanks bud. Now we're off to college and more friends. I'll never forget you, hope you do the same-D My green bean pal. So many memories . . . We've stuck together, AM/PM, Snick buds. The days are dwindling . . . Watch out for dry lips and saps! I LOVE YOU!-P

Doug: Hey bud, it's over! At least for me, time for college and more parties. But I'm gone! Remember I'll always be somewhere watching over you guys-D Hey sail-boat, we've become great buds! Weekend red face pals forever! I'll miss you!-P

Aileen: Oh no junior to senior! You're making that big move. I'm glad we've become friends and I'll be back so remember, not too outrageous-D I'm so glad we became friends. I wish I didn't have to go so we could spend more nights with the potato chips, ha! Miss you!-P

D-I can't believe it's all over! We had so much fun! Red faced buddha heads! Thanks for so many special memories! You helped to make my last year one of my best! I'll miss you and your potato sacks lots!-P

P-The Santa Barbara Budda Head. That's it! We're gone from Blair and four years of memories. But now we're off for four years of fun. I'm glad we shared our senior year together and I hope we keep in touch over the years. Thanks for everything. It's been great.-D

And to all our friends who have shared the good and bad times, making our high school years so bearable, happy, and memorable. David and Paula

WOW IT'S THAT TIME . . . It's time for us to say our final goodbyes. Can you believe it? It seems as though yesterday we were Freshmen. As I move on to bigger and better things in my life . . . I'll look back on the four wonderful years I've spent at Blair. The memories, both good and bad, (mostly good) will always stay with me and I hope with you. God we have a lot to remember! Freshmen year: "We are so it!" Sophomore year: The Cranks. Junior year: "I love you! You're so Great." Senior year: "Bitchen". Poor Underclassmen, we're leaving you behind. I really treasure the friendships I share with several of you. I'm really going to miss you guys! But who or what will I miss the most? I'll miss that last second that decides if we are the CIF basketball champs, I'll miss the assemblies, slave days, spirit weeks, flower/balloon grams, football games, cheerleading, class meetings, ASB , car washes and most of all the friends I've made and grown with. God, the memories, I can't begin to think of them all. Yes, it is that time . . . I thought it would never get here. But now I only want it to go away. I think this will be one of the hardest things I've ever done. Saying goodbye to my friends, realizing that "it will never be the same", wanting to say and do more things, if only I had more time. But I don't. I simply want to tell everyone concerned that I LOVE YOU and "thanks for the memories." LOVE ALWAYS, JEANNE

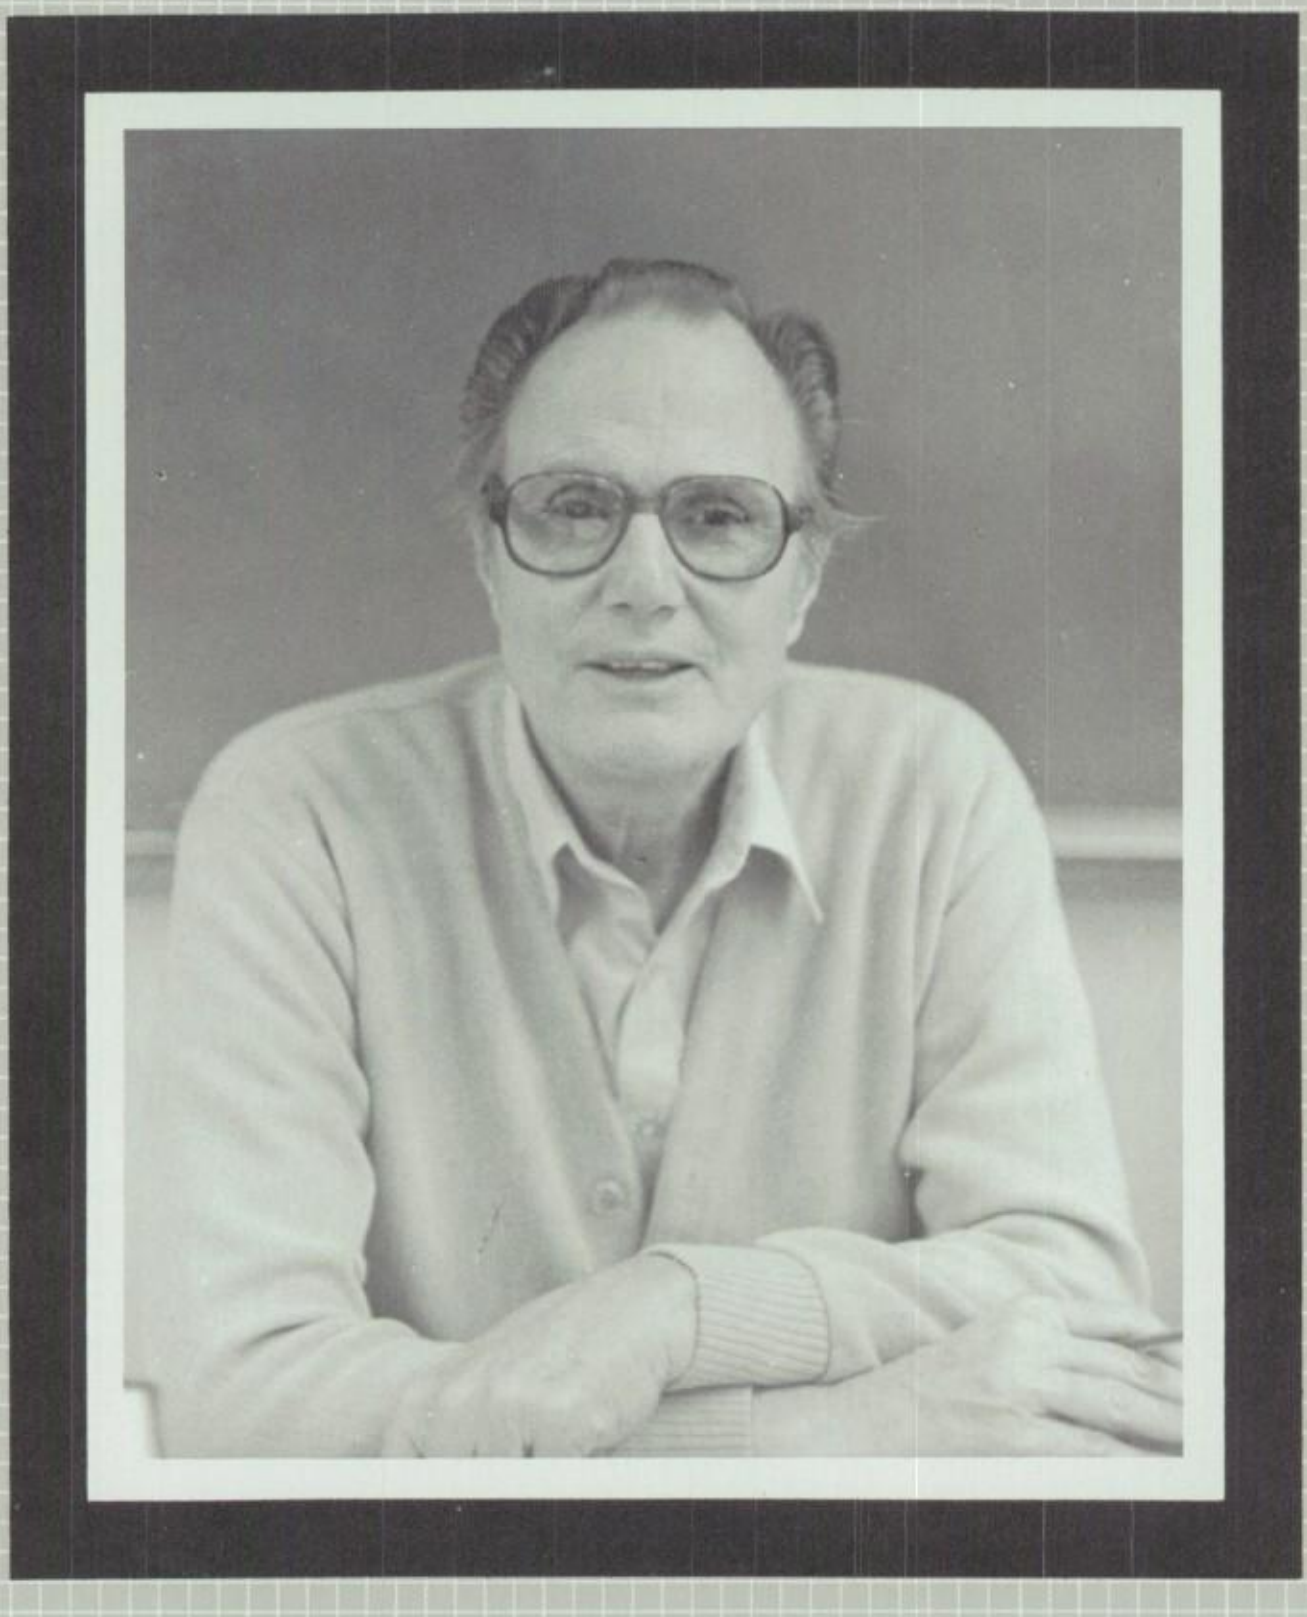
Producing a yearbook requires a great amount of time and effort. As well as the actual assembling of the pages, the financial worry is a tremendous burden. We would like to thank all of our patrons for helping to alleviate this pressure. Your contributions are truly appreciated.



In March the Blair community said good-bye to a true and treasured teacher. Vincent Melie's life may be over but his spirit lives on through the many lives he enriched. His geniune concern for people, his delightful sense of humor, and his steadfast courage will continue to inspire us all as we fondly remember his living example.

In Memory of Vincent Melie

From sports to student government, the major syndrome plaguing the campus was the all-comsuming, ever-denied, "attitude problem." Yearbook could not escape this disease. Attempting to form a unified staff from these individuals was an unfulfilled task. Though the atmosphere surrounding the production possessed a negative tone at times, the final publication was indeed a pleasure for everyone involved.

In addition to the staff and advisor, Mr. Ben Steelhead Jr., we would like to extend our thanks to Mr. Nathan Tsukroff of Varden Studios, Inc. for his extensive photographic assistance, Mr. Dangerfield for his "emergency" developing, Gladys Roshko for her literary contribution, and Mrs. Kathleen Bailey (as well as her friend from Missouri) of Herff Jones Yearbook Publishers for her patience, understanding, and guidence.
